Report on "BETI BACHAO BETI PADHO Programme" on

09th November 2021 at Garvebhavi Palya Village , Bangalore -560068

"Beti Bachao Beti Padhao" is a government social scheme launched by the Prime Minister Narendra Modi in order to address the gender imbalance and discrimination against girl child in the Indian society. This scheme is regarding girl safety, protection and better education in the future without much load on the parents. As per the evaluation report of NITI Aayog, Beti Bachao Beti Padhao (BBBP) scheme has been able to generate significant mass- mobilization to eliminate gender discrimination and valuing the girl child and the scheme has been able to develop many good practices and community-level initiatives. The awareness about the scheme was also found to be high.

In view of above government instruction We , Students and Faculties of **The Oxford College of Engineering** initiated program to create awareness among Garebhavi playa village people to benefits of , Beti Bachao Beti Padhao (BBBP) .Consistent efforts are made under BBBP at all levels to generate awareness about the rights of girl child through community engagement, stop sex selection at birth and encourage positive action to support their education growth and development. Convergent efforts are made in collaboration with other Ministries and stakeholders. The implementation of the Scheme is monitored by the task force under BBBP at District, State and National level.

The overall objective of the BBBP Scheme is to address the issue of decline in Child Sex Ratio and create an enabling environment for education of the girl child. Child Sex Ratio (Census by Registrar General of India) is a decadal process. Hence, an intermediary targets i.e. Sex Ratio at Birth have been set as a monitoring parameter for the progress of Scheme. SRB (as per Health Management Information System (HMIS) of Ministry of Health and Family Welfare) has shown an improving trend

The objective of the scheme is to address issues from declining Child Sex Ratio (CSR), women empowerment, removal of gender inequality to protecting a girl child. The scheme also tries to ensure education of the girl child and her participation in the society.

Talk on Stress Management

A Talk on "Stress Management" was organized on 21st December 2021 from 1.30 pm to 3.30 pm in 5th floor Seminar Hall, New Building.

Expert/Speaker Details:

Name: Prof. Nancy Johnson, Placement Department

The main highlights of the session were – various types of stress faced by teenagers, stress relaxation therapy and different stress management techniques. The session had lots of Games, Activities and Role plays

The life of a student can be a stressful one. Factors such as homework, social life, perceived parental pressure and never-ending workloads all generate stress. Extra-curricular activities help students build confidence, explore hobbies, and develop values such as teamwork and responsibility.

The ability to distinguish between choice and needs plays a vital role in the life of students. The session focused on techniques the students can use while taking decisions about their college life and career. This would help students focus not just on their curriculum but also on their extracurricular activities leading to a less stressful journey. Emphasis was laid on the stress is generated by oneself and it can be controlled by oneself. Building confidence was another foundation laid during this session via role play activities which helped remove the element of fear from the student's minds, the main prominence was focused on the motto "Fake it till you make it".

REPORT ON SELF-DEFENSE AWARENESS PROGRAMME

"Self-Defense Awareness Programme" for the first year B.E./B.Arch. students were organized during Student Induction Programme (SIP 2021-22) on 22/12/2021 and 24/12/2021. A team of 17 specially-trained women police officers, who are also tasked with making women more self-reliant and independent in the uncertain times of today- "Rani Chennamma Pade" visited campus to create awareness about the crimes against women & children and self-defense. "Rani Chennamma Pade"- By Women, For Women, Of Women! The team educated and trained first year students about basic self-defense techniques. They also explained about women & child-related laws - POCSO, NDPS Act, Narcotic Drugs and Psychotropic Substances (NDPS) Act, usage of social media and trending cybercrimes etc. The team gave knowledge about punishment, imprisonment, fine for different crimes as per the acts such as teasing, unwanted dialogues, unwanted looks etc. Details of various safety apps were given and police emergency numbers were shared for immediate contact during the time of need. Principal Dr. N. Kannan facilitated the team by presenting a memento and an appreciation letter. The programme was very useful for the students, and was very much appreciated.

Day-1

Date: 22/12/2021

Session:-I

Time: 11.30 AM-1.00 PM

Venue: Seminar Hall- 6th Floor, New Building, Architecture Department

Branches: ECE, EEE, BT, CIVIL, ME, MT

Total number of participants-129

Session:-II

Time: 2.30 AM-3.30 PM

Venue: Seminar Hall- 3rd Floor, New Building, CSE Department

Branch: CSE

Total number of participants-90

Day-2

Date: 24/12/2021

Session:-III

Time: 11.30 AM-12.45 PM

Venue: Seminar Hall- Seminar Hall- 5th Floor, New Building, Architecture Department

Branches: ISE, AI & ML, B-Arch

Total number of participants-89

Day-1, Session-1: Demonstration of basic self-defense techniques and awareness by Rani Chennamma Pade Team

Day-1, Session-II: Demonstration of basic self-defense techniques and awareness by Rani Chennamma Pade Team

**Day-2, Session-III: Demonstration of basic self-defense techniques and awareness by Rani
 Chennamma Pade Team**

Felicitation of Rani Chennamma Pade Team by Dr. N. Kannan, Principal, TOCE

Awareness Programme on Sexual Harassment

Awareness program on "Sexual Harassment" was organized on 23rd December 2021 from 9.00 am to 11.30 am in 6th floor Seminar Hall, New Building.

Objectives:

- Participants are aware of the penalty and consequences of sexual harassment.
- Mechanism in place for Redressal of complaints pertaining to sexual harassment.
- Complaints procedure.

Expert/Speaker Details:

Name: Mrs. Anupama T S

Designation: Advocate

Ms. Anupama T S, Advocate, gave the awareness on Prevention of Sexual Harassment (POSH) Act 2013, An Act to provide protection against sexual harassment of women at workplace and for the prevention and Redressal of complaints of sexual harassment and for matters connected therewith or incidental thereto.

Whereas sexual harassment results in violation of the fundamental rights of a woman to equality under articles 14 and 15 of the Constitution of India and her right to life and to live with dignity under article 21 of the Constitution and right to practice any profession or to carry on any occupation, trade or business which includes a right to a safe environment free from sexual harassment.

The Supreme Court has defined sexual harassment in its order as any unwelcome, sexually determined physical, verbal, or non-verbal act against any women.

HEALTH TALK- "NUTRITION & HEALTH"

A health Talk on "Nutrition & Health" was organized on 23rd December 2021 from 11.30 am to 12.30 pm in 5th floor Seminar Hall, New Building.

Objective:

- Awareness on healthy and balanced diet for Girls/Women

Expert/Speaker Details:

Name: Prof. Shobha G

Designation: Assistant Professor, The Oxford College of Nursing

Prof. Shobha, assistant Professor, The Oxford College of Nursing gave awareness about healthy and balanced diet for girls/women. The diets of women in India are often too poor to meet their nutritional needs. Undernourished girls have a greater likelihood of becoming undernourished mothers who in turn have a greater chance of giving birth to low birth weight babies, perpetuating an intergenerational cycle. Healthy foods are those that provide you with the nutrients you need to sustain your body's well-being and retain energy. Water, carbohydrates, fat, protein, vitamins, and minerals are the key nutrients that make up a healthy, balanced diet. A healthy eating plan is one that encompasses all of the nutrients your body needs on a daily basis without any non-nutritional additives. Throughout the day, a person use energy from the battery to think and move, so every human being needs to eat and drink to stay powered up. Balancing the energy, on needs to take in through food and beverages with the energy one uses for growth, activity, and daily living is called "energy balance." Energy balance may help everyone stay a healthy weight. The response of the program was very good.

Scholarship Orientation Programme

Scholarship Orientation program for the BE first year students was organized on 24th December 2021 for the incoming batch of 2021-22 from 2.00 pm to 4.00 pm. The orientation program was conducted in 3rd and 6th Seminar Hall in TOCE, New Building. The objective of the program was to inform students about various scholarship programs where they can apply and avail benefits. Educational scholarships are of great help for highly committed students who want to gain the best education available. It helps in empowering students in academic and career goals by removing the financial barrier. Scholarships can be immensely beneficial for students as they gradually progress through their academic lives and gradually transition into professional careers. Scholarships go further than being financial aid for many students. They reward deserving students with the ability to afford higher education. Scholarships are excellent credentials for their resume and portfolio that can leave an amazing impression on admission committees and employers. Some scholarships incorporate internship opportunities. College students may benefit from gaining work experience after their education. The scholarship could help companies attract new talent. Being a recipient of any scholarship is a testimony to a student's academic capabilities and their commitment towards the pursuit of excellence in their field of interest.

Glimpses of Scholarship Orientation Programme

Students were given detailed information about eligibility criteria and financial assistance for scholarship. Few NGOs are providing scholarship to girl students which include 1,00,000 Rs. And a laptop to promote girl education.

stream can apply. The programme will also aim to encourage applications by girls and specially-abled students. In addition to the scholarship grant, the Reliance Foundation Undergraduate Scholarships will provide scholars an opportunity to be part of a vibrant alumni network and an enabling support system that will create long-term impact on their lives and career trajectories.

https://scholarships.reliancefoundation.org/UG_Scholarship.aspx

- Parivartan 2.0 Scholarship- The program provides merit-cum-means scholarships to academically gifted Engineering students toward their professional education.
<https://ffe.org/ffe-globallogic-scholarship-program/>
- SKF India Scholarship- Under the program, SKF India provides scholarship to meritorious girls from underprivileged economic background, who have scored over 80% in their SSC exams. Targeted at girls pursuing various professional courses such as medical, engineering, CA, Pharm, etc., the scholarship fund can be utilized for covering expenses such as government college fees, hostel accommodation charges, mess fees, transport, stationery and other related costs.

Awareness Program on Eve Teasing

An awareness program on "Eve Teasing" was organized for girl student on 27th December 2021 from 11:30 am to 12:30 pm in 5th floor Seminar Hall, New Building.

Eve teasing has been considered as one of the most discussed topics in recent years. The problem has been spread at every corner of our society very quickly shaping as national problem. The fearsome handful of eve teasing is destroying the delicate social structure. Generally, the term eve teasing includes the salacious glance, mockery, satire, offensive comments, obscene gesture, playing ear, provocative clapping, playing to push on, without consent the woman's body touching etc. Eve teasing interrupts the women's rights, diminishes their individual freedom and the right of independent mobility, shortens their education lives, upsets their mental health and disrupts them from personal and national development stream. Various causes related with eve teasing, impact on social life, laws and initiatives of the Government were discussed to educate the participants. A short film was exhibited in order to make girls aware how to fight such instances of eve teasing and how to deal with eve teasers. The response of the program was very good.

"National Girl Child day"
A Talk on "Status of Girl Child in India"

Resource person- Ms. Kanmani M, Executive Director, Avekshaa Trust

Date: 25-01-2022

Time: 11.00am -12.15pm

The National Girl Child day is celebrated on January 24th of every year. The day is observed to raise awareness about the inequalities that girls face in Indian society. The main objective of the day was initiated by the Ministry of Women and Child Development. It is to spread awareness about the rights of girls and the importance of female education, nutrition, health and educate society about the inequalities girls face.

The National Implementation Committee (NIC) and Ministry of Culture has approved the event "National Girl Child Day" to be celebrated on 24th January 2022 by this Ministry as the lead Ministry under Azad' Ka Amrit Mahotsav. In shadow of Covid, it has been decided that the program may be organised through online/virtual mode. On behalf of this The Oxford College of Engineering decided to conduct an online talk/ webinar on the various issues related to highlight and to empower the girl child.

On account of this an online talk was scheduled on 25th January 2022 through online mode. The talk was delivered by Ms. Kanmani M, Executive Director, Avekshaa Trust, Bangalore. About 100 members participated in the webinar. Dr N Kannan, Principal, addressed the gathering. Dr Manju Devi, Professor & Head of ECE department and Dr Kanagavalli R, Professor & Head of ISE department were the organizers of the event. Dr Neethu P S, Assistant Professor of ECE department was the faculty coordinator.

During the talk by Ms Kanmani, she emphasized on the values, dignity and rights, and the forms of violence, the reason of the violence women face and its impact. She also pointed about the current situation of the women. Through the presentation she enlightened us with different kinds of acts and the policies to follow at work places and for the individual woman.

"Give girls the wings to fly, not the pain to cry and die"

01.30pm	Sharing thoughts (from audience)
01.35pm	Ph.D. holders Felicitation
01:40pm	Prize distribution
01.40pm	Vote of Thanks

Details of the Program

International Women's Day is celebrated on 8th March with a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honour, loved and admired women. To honor womanhood, The Oxford College of Engineering has celebrated the International Women's Day on Tuesday, 8th March, 2022, 6th Floor Seminar Hall New Building, college campus.

The celebration started with Games by 10.30am. Lady faculties and non-teaching staffs took part in games activities and bagged first and second prizes. The prizes were given at the end of the celebrations.

By 12.30pm the guest, dignitaries, HODs, all faculties and students were welcomed to the function. Dr. Bindhu Madhavi, AIML Department and Ms. Moumitha Kali, Maths Department led the Master of the Ceremony.

Lighting the Lamp

The event started by welcoming the dignitaries to the dais. Followed by Invocation song. Dr. N Kannan, Principal of TOCE, delivered the welcome speech. In his speech sir has highlighted, Women are independent and self-confident in every aspect and are capable of doing everything equal to men. Also, we should respect each of them not because of gender, but for their own identity. Furthermore, we have to accept that both women and men contribute equally to the betterment of the home and society.

For the event, chief guest was Ms. Geetha Menon, the co-founder of Stree Jagruti Samiti and also a Joint Secretary of Domestic Workers Rights Union. Three decades ago, she began her journey towards fighting injustice and exploitation of the working and toiling people. Her inspiration has always been the working-class women of India who continue to stand strong in the face of caste based and patriarchal oppression. She has been closely involved with the women workers in the informal economy and helped them find their voices. Ms. Menon has been at the forefront of community issues, domestic violence and sexual harassment as well as trafficking, that forcibly immobilize and captivate women further restricting their presences in the public sphere. Any human rights violation has been strongly opposed, and in the quest for a society where exploitation of Man over Man, Man over Woman, Man over Nature will end. Ms. Menon is the recipient of the prestigious *Citizen Individual of the Year* award by Namma Bengaluru, the Nirbhaya Award regarding women's safety and empowerment. and has been honoured with several local and national awards in the field of women empowerment, achievement and social entrepreneurship. She has won many Government Boards, as well as on the POSH committee regarding sexual harassment at the workplace. Her achievement is summed up as "A mother of two girls"!!

Ms. Geetha Menon's valuable talk on female welfare triggered the entire audience. She brought ideas on, how men become a benchmark to measure the female traits. The comparison should not be made among the genders, as every gender including queer has to be embraced and considered as unique. She also added, rather than inculcating gender specifications such as femininity and masculinity, it is advisable to nurture individuality.

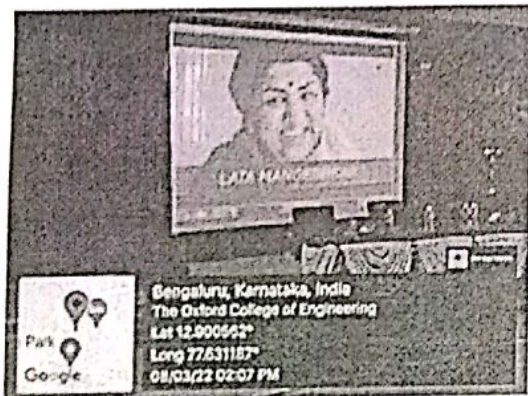

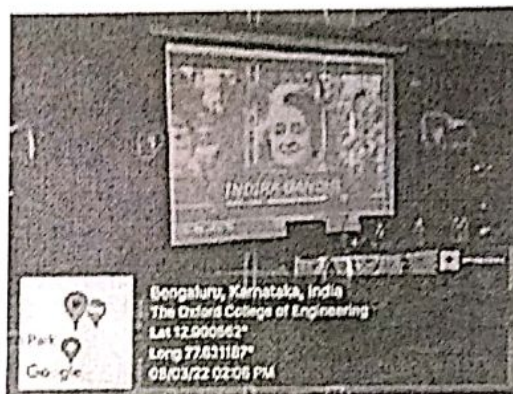

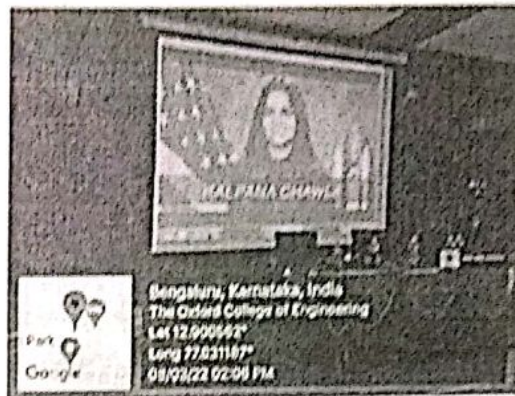

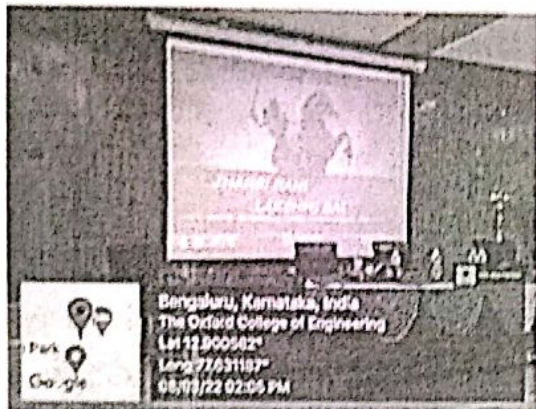

A token of love to Ms. Geetha Menon

Token of Gratitude to the Chairman

We have presented a short video as a tribute to great Indian women in history. Women today, more than ever before, have gone against the grain of male-dominated societies and cultures. Even though there are numerous women deserving honour in their field of excellence, we have named a few famous Indian women here who have made a lasting impression on the world through this short video presentation. The journey of Jhansi Ki Rani, Kalpana Chawla, Sarojini Naidu, Indira Gandhi, Kiran Mazumdar Shaw, P V Sindhu, and so on will make us proud every moment in life.

Dr. Preeta Sharan was honoured during the IWD celebration. As she been among Top 75 Indian Women in STEAM. Being featured in the book "**She Is: 75 Women in STEAM**". It was announced by the Principal Scientific Advisor Govt of India Prof. K Vijay Raghavan with his Excellency British High Commissioner Mr. Alex Ellis on 3rd of March. She is currently the Professor and Research Coordinator in Department of ECE, has contributed immensely in the research field of medical health care devices specially using Optical Sensor.

Honouring Dr. Preeta Sharan

Motivational Talk by Dr. Preeta S

Speaking about her recognition, Prof. Preeta Sharan said that this honour is a great motivation for her and her research group. It will encourage her and her students to carry out their research and development with more passion as the research area on development of various devices for medical health care. It requires lots of dedication, patience, and perseverance to achieve breakthrough research output that has societal impact. These Optical Sensing techniques can have a tremendous impact on Space Research, agricultural, Mechanical Device specially where high sensitivity is preferred which will be an added advantage of value addition to the developed devices. She has developed many devices such as Spectacle for Handicapped for using as virtual mouse in association with ICMR, Delhi. The other device is based on Grip measurement for muscle strength analysis specially after surgery. Another device is on Foot pressure measurement.

We were happy to honour two of our lady faculty from CSE Department, Dr. Seema Patil and Dr. Shobha T for their PhD award.

Dr. Seema Patil

Dr. Shobha T

The following winners were awarded with prizes for the games:

Needle and Thread Event:

Ms. Premanjali, Civil Dept. (1st)
