HAR GHAR TRIRANGA

On 13th August 22 the Oxford College of Engineering, TOCE, organizes Har Ghar Tiranga' which is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. So our college took the privilege to organize this event with the help of Dept of MCA. Staffs and students were given national flag to hold.
