Findings of DVV:

Please provide the list of all full-time teachers indicating the name of the department during the last five years year-wise, and as authenticated by the principal. -A full-time teacher is one who is employed for at least 90% of the normal or statutory number of hours of work during the year. -Those joined during 2022 cannot be considered for AY 2020-21. - Academic year as per NAAC is 1st June to 31st May

Ans: Number of full time teachers working in the college is calculated considering the following points.

- Teachers appointed after 1st June in the respective academic year are not taken in to consideration.
- Teachers who have left before 31st May in the respective year not considered though they have been appointed much before.

Hence the revised change input is
