A Sense & Surprise: The Mystery Unfolds was conducted on 11th March 2025, blending fun with technical learning. The event featured mystery-solving challenges that required participants to apply their knowledge of electrical and electronic concepts in innovative ways. With clues and tasks rooted in circuit logic and sensor-based technology, the competition encouraged analytical thinking, teamwork, and practical application of EEE principles, making it an engaging and educational experience for all.

The Ultimate Guess – Off, an EEE-themed event, was conducted on 20th March 2025, combining fun with technical insight. Participants engaged in a series of guessing games and challenges based on electrical and electronic components, symbols, and concepts. The event tested their knowledge, intuition, and quick-thinking skills, offering an interactive way to reinforce core EEE principles while promoting enthusiasm and teamwork among students.

The Battle of Henna Artists was conducted on 17th April 2025, celebrating creativity and cultural artistry through intricate henna designs. Participants showcased their talent by creating stunning, detailed patterns within a limited time, highlighting both traditional and contemporary styles. The event encouraged artistic expression, precision, and originality, making it a vibrant and visually captivating competition.

The Oxford College of Engineering, Bengaluru, Department of Electrical and Electronics Engineering organized **Farewell day** for the batch **2020- 2024 batch** on **08th June 2024**.
