Counselling

The institute, shows utmost concern towards the wellbeing of students. To address the student stress, career advice and family concerns, the institute has set up student counselling centre. The college has a dedicated counselling room. A qualified Psychologist is looking after this counselling centre. Issues generally include stress, depression, anxiety, confidence and objective and goal setting. The counselor assists students in learning difficulties, behavioral development and adjustment problems.

The counselling services address various degrees of the personal and academic problems and provide suitable solution from time to time. The professionals try to resolve the matter in a more satisfying way. The services are open to all the students free and totally confidential. Special care is taken for slow learners identified through counseling.

Students are asked to visit the counsellor in a scheduled day in a fixed counsel room. The counsellor counsel the students according to his/her problem after registering his identification and keeping all the information confidential.
