Hi Bheemeswara,

Thank you for hosting the Labcorp, India team and helping us finding the right talent for our organization. It was a pleasure to interact with the students.

As discussed, we would like to confirm the selection of the below mentioned students for the 2023 internship program (February 2023 – August 2023) at Labcorp, Bangalore (office-based). We would like to remind you that we are keen on them continuing with Labcorp post the internship in case of full time opportunities at the time of completion of internship.

However, please note that Labcorp at this stage cannot confirm final placements as it would be dependent on the business need and the individual's performance. So if a candidate is keen on only looking for a 6 month internship then this opportunity may not be suitable for them. Please do communicate and confirm back to us accordingly.

Request you to please seek confirmation from the students by 5 PM on Thursday, 22nd December 2022 and confirm back to us by filling out the attached authorization letter template.

Please share this letter back with us on your official university letterhead and signed by the concerned authority to enable us to begin the onboarding process for the candidates.

We look forward to a continued and fruitful partnership with your institute. Please do feel free to reach out to us for any further questions or clarifications.

Hi Bheemeswara,

Thank you for hosting the Labcorp, India team and helping us finding the right talent for our organization. It was a pleasure to interact with the students.

As discussed, we would like to confirm the selection of the below mentioned students for the 2023 internship program (February 2023 – August 2023) at Labcorp, Bangalore (office-based). We would like to remind you that we are keen on them continuing with Labcorp post the internship in case of full time opportunities at the time of completion of internship.

However, please note that Labcorp at this stage cannot confirm final placements as it would be dependent on the business need and the individual's performance. So if a candidate is keen on only looking for a 6 month internship then this opportunity may not be suitable for them. Please do communicate and confirm back to us accordingly.

Request you to please seek confirmation from the students by 5 PM on Thursday, 22nd December 2022 and confirm back to us by filling out the attached authorization letter template.

Please share this letter back with us on your official university letterhead and signed by the concerned authority to enable us to begin the onboarding process for the candidates.

We look forward to a continued and fruitful partnership with your institute. Please do feel free to reach out to us for any further questions or clarifications.

#Provident Fund Contribution Option:

As permitted by the Employees Provident Funds and Miscellaneous Provisions Act, 1952 and its Rules, at the time of joining, if you give your written consent, Company will provide you an option to limit your Provident Fund Contribution to maximum monthly wage ceiling defined by EPF authority (Currently it is Rs. 15,000/- per month) instead of on the entire basic salary mentioned in this salary break-up sheet. You understand and agree that if you explicitly consent to choose the above mentioned option, you will see following impact in your monthly pay slip.

- There is no impact on your Gross salary and CTC salary as stipulated under Annexure A.
- Both Employee's contribution and Company contribution to E.P.F will be lesser than what is mentioned in the salary break-up sheet under Annexure A -I point no. 3. Differential amount will be shown under "Special Pay I" in your pay slip. Income tax deduction benefit would reduce to that extent.
- As EPF deductions are less, your take home pay would be more than what is stipulated under Annexure A. This will attract appropriate income tax.

You agree and understand that as and when the EPF authorities revise maximum monthly wage ceiling (currently Rs. 15,000/- per month) appropriate changes will be made keeping the same principle, i.e. limiting both employee and employer contribution to statutory wage ceiling, as long as it is permitted by the law.

Yours sincerely,

For Persistent Systems
