Policy document for award of Scholar ships and Free Ships

Policy:

Scholarship is provided every year for B.E, M.Tech, MCA and MBA students who have shown excellence in academics and who are economically weak. An adequate amount is provided for the best students selected from all departments.

Procedure:

The management has a clear mechanism for the selection of students for the scholarship.

- Students should have more than 80% of attendance and should have good conduct.
- Students should be in the top position in particular class with more than 75% of marks in academics.
- If students represent The Oxford Engineering College in State and National level competition, they have to secure first or second prize in particular competition.
- Students shall apply the Scholarships/Free ships in the prescribed format to claim.

Practice:

Scholarship / Free ship will be awarded in the inaugural function of the 1 year UG courses.

Key result area:

- As a custom of the College, in pursuit of encouraging the students, their performance is evaluated. The same is continued since 5 years.
- By providing these management scholarships, students are self-motivated to perform well in their studies and other value added areas.
- Students are exploring towards the world and showing interest to exhale their skills to exhibit at State and National level.
