The Oxford college of Engineering, Bangalore- Institution Innovation Council in association with Department of Artificial Intelligence and Machine Learning organized Outreach Activity “AWARENESS PROGRAM: SWACHH BHARAT MISSION HERITAGE WALK: NEW TRENDS OF EXPLORING CULTURE” on 23rd February 2023 at Shree Kote Timmaraya Swamy Temple. The primary goal of the Swachh Bharat Mission is to create awareness among students to improve public health through better sanitation, safe storage and disposal of solid waste.

OBJECTIVE:

The main objective of the Outreach Program is to create awareness among students to improve sanitation and solid-waste management systems in urban and rural areas and raise awareness on personal cleanliness, public health, better hygiene practices, and sustainable sanitation services. Students were exposed with the knowledge of better health and safety for all citizens, improved cleanliness of public places, better environmental conditions.

44 students and 1 faculty member participated in the Outreach program.

OUTCOMES:

- To make people aware of healthy sanitation practices by bringing behavioral changes in people.
- To link people with the program of sanitation and public health in order to generate public awareness.
- To build up the urban local bodies strong in order to design, execute and operate all systems related to cleanliness.
- To completely start the scientific processing, disposals reuse and recycling the Municipal Solid Waste.
- To conclude swachh bharath mission was highly achievable when students came together in making it a successful one in bringing out behavioural changes in public and encouraging health practices, spreading awareness and strengthening the cleanliness systems.

An outreach program on “Government School Beautification” was organized by the 5th semester students of the Department of Biotechnology on the 6th of March, 2022 in association with the TOCE National Service Scheme unit and Youth for Parivarthan organization at Mariyappanapalya, Kengeri.

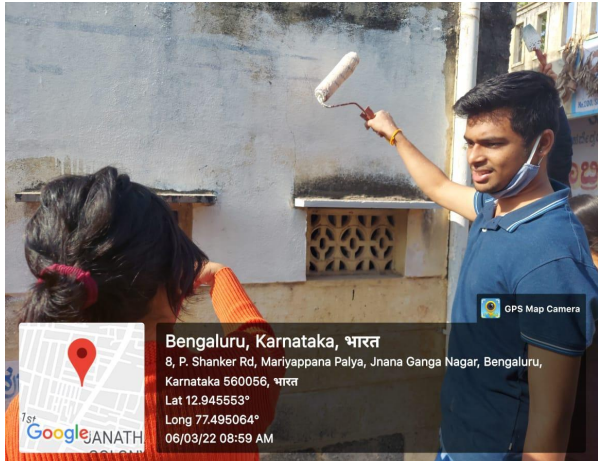

Cleanliness is the act of keeping our body, mind, dress, home, surroundings and other work areas neat and clean. Cleanliness of the body is very necessary for our physical and mental health. Cleanliness of the surrounding areas and environment is very necessary for the social and intellectual health.

Volunteering to serve the community is not only beneficial to the individuals involved but it is necessary in creating better societies for all. Volunteering work in our societies basically involves sharing and friendship through which people can find out what others need so that they can work on assisting them in all ways possible. Through volunteer work, many people's lives are changed be it through words or material assistance.

Government school beautification involves the process of painting the walls of the school as per the colour code for a government school and filling the walls with quotes that enlighten the minds of the students. Having a clean surrounding around the school is necessary for

maintaining the health of the students. Therefore, being the young citizens of the country, we the students of 5th semester went to Kengeri government school as volunteers of the Youth for Parivarthan organization and transformed a school that was not much pleasing to look into a beautiful place filled with colours on the walls.

An outreach program on “Spot Fixing” was organized by the 6th semester students of the Department of Biotechnology on the 8th of May, 2022 in association with the Youth for Parivarthan organization at Frazer Town, Shivajinagar.

Cleanliness is the act of keeping our body, mind, dress, home, surroundings and other work areas neat and clean. Cleanliness of the body is very necessary for our physical and mental health. Cleanliness of the surrounding areas and environment is very necessary for the social and intellectual health.

Volunteering to serve the community is not only beneficial to the individuals involved but it is necessary in creating better societies for all. Volunteering work in our societies basically involves sharing and friendship through which people can find out what others need so that they can work on assisting them in all ways possible. Through volunteer work, many people's lives are changed be it through words or material assistance.

There is an increasing need for cleanliness all around the country and this can be achieved only by the support of the citizens of the country. Cleanliness drive is one of the best ways to start eliminating the accumulation of wastes and inculcating the sense of responsibility in each and every citizen of the country. Being the young citizens of the country, we the students of 6th semester went to Frazer Town, Shivajinagar as volunteers of the Youth for Parivarthan organization and transformed a place that was not much pleasing to look into a beautiful place filled with art on the walls and decent looking patterns on the footpath.

#TOGETHERWECAN

An article about yesterday's spot-fix at Frazer Town in today's edition of Bangalore Mirror!

Painting the town red

A group of college students and members of the Pulikeshinagar Residents Welfare Association (PNRWA) & Frazer Town Residents Welfare Association (FRWA) clean and beautify a black spot on Mosque Road on Sunday

#TOGETHERWECAN

An article about yesterday's spot-fix at Frazer Town in today's edition of Times of India!

Palike, activists join hands to spruce up stinking black spot

Times News Network

Bengaluru: A black spot on Mosque Road stinking of garbage, urine and other filth has been reclaimed and made user-friendly. While BBMP cleaned the area, a group of activists and citizens painted it on Sunday.

Between 65 and 70 volunteers with the Youth for Parivartan activist group took five hours to paint the spot. The group was contacted by Pulikeshinagar Residents Welfare Association and Fraser Town RWA.

"We had worked with these RWAs for cleaning up localities adjacent to the spot today (Sunday). Some residents also joined us," Youth for Parivartan founder Amith Amarnath said.

QUICK FIX: Volunteers beautify a spot at Fraser Town on Sunday

The planning started two weeks ago. The group contacted Pulikeshinagar MLA Akhanda Srinivas Murthy to get garbage cleared from the spot. Murthy contacted the civic body, which sent workers to undertake cleaning.

transformer stands at the spot. It was enclosed in grills into which people threw trash. It had also become a spot for nefarious activities. Civic workers did the cleaning and removed the grills, while we beautified it," Amarnath said.

Report on Awareness Programme- Oral and Dental Hygiene on 12th of May, 2022

Oral hygiene is the practice of keeping one's mouth clean and free of disease and other problems by regular brushing of the teeth (**dental hygiene**) and cleaning between the teeth. It is important that oral hygiene be carried out on a regular basis to enable prevention of dental disease and bad breath. General guidelines for adults suggest brushing at least twice a day with a fluoridated toothpaste. Cleaning between the teeth is called interdental cleaning and is as important as tooth brushing. This is because a toothbrush cannot reach between the teeth and therefore only removes about 50% of plaque from the surface of the teeth. There are many tools to clean between the teeth, including floss, tape and interdental brushes; it is up to each individual to choose which tool they prefer to use.

Sometimes white or straight teeth are associated with oral hygiene. However, a hygienic mouth can have stained teeth or crooked teeth. To improve the appearance of their teeth, people may use tooth whitening treatments and orthodontics.

There was an awareness program organised by The Oxford Dental College, where they had briefed us about the ways to maintain the dental and oral hygiene. It was an informative session wherein we got a new insight about the various aspects to be considered and taken care about our oral health.

An outreach program on “Temple Cleaning” was organized by the 6th semester students of the Department of Biotechnology on the 28th of May, 2022 in association with the Youth for Parivarthan organization at Madiwala.

Cleanliness is the act of keeping our body, mind, dress, home, surroundings and other work areas neat and clean. Cleanliness of the body is very necessary for our physical and mental health. Cleanliness of the surrounding areas and environment is very necessary for the social and intellectual health.

Volunteering to serve the community is not only beneficial to the individuals involved but it is necessary in creating better societies for all. Volunteering work in our societies basically involves sharing and friendship through which people can find out what others need so that they can work on assisting them in all ways possible. Through volunteer work, many people's lives are changed be it through words or material assistance.

Sri Someshwara Swamy Temple in Madiwala is one of the oldest temples in Bangalore dates back to the Chola Dynasty of 12th century. The temple is located near to Central Silk Board. We had a great time on cleaning and giving a new look to the temple. We were divided into

different groups which had volunteers from various colleges. We had a good experience on talking and working together as a team with them.

Report on Outreach Programme- Spot Fixing at K R Circle on 26th of June, 2022.

An outreach program on “Spot Fixing” was organized by the 6th semester students of the Department of Biotechnology on the 26th of June, 2022 in association with the Youth for Parivarthan organization at Dr. Ambedkar Veedhi, Near City Civil Court, K R circle, Bengaluru.

Cleanliness is the act of keeping our body, mind, dress, home, surroundings and other work areas neat and clean. Cleanliness of the body is very necessary for our physical and mental health. Cleanliness of the surrounding areas and environment is very necessary for the social and intellectual health.

Volunteering to serve the community is not only beneficial to the individuals involved but it is necessary in creating better societies for all. Volunteering work in our societies basically involves sharing and friendship through which people can find out what others need so that they can work on assisting them in all ways possible. Through volunteer work, many people's lives are changed be it through words or material assistance.

There is an increasing need for cleanliness all around the country and this can be achieved only by the support of the citizens of the country. Cleanliness drive is one of the best ways to start eliminating the accumulation of wastes and inculcating the sense of responsibility in each and every citizen of the country. Being the young citizens of the country, we the students of 6th semester went to Dr. Ambedkar Veedhi, Near City Civil Court as volunteers of the Youth for Parivarthan organization and transformed a place that was not much pleasing to look into a beautiful place filled with art on the walls.

Volunteers
6th Semester
Department of Biotechnology

An outreach program on “Government School Beautification” was organized by the 6th semester students of the Department of Biotechnology on the 24th of September, 2022 in association with the Youth for Parivarthan organization at Herohalli, Sunkadakatte, Bengaluru, Karnataka.

Cleanliness is the act of keeping our body, mind, dress, home, surroundings and other work areas neat and clean. Cleanliness of the body is very necessary for our physical and mental health. Cleanliness of the surrounding areas and environment is very necessary for the social and intellectual health.

Volunteering to serve the community is not only beneficial to the individuals involved but it is necessary in creating better societies for all. Volunteering work in our societies basically involves sharing and friendship through which people can find out what others need so that they can work on assisting them in all ways possible. Through volunteer work, many people's lives are changed by it through words or material assistance.

Government school beautification involves the process of painting the walls of the school as per the colour code for a government school and filling the walls with quotes that enlighten the minds of the students. Having a clean surrounding around the school is necessary for maintaining the health of the students. Therefore, being the young citizens of the country, we the students of 6th semester went to Herohalli government school as volunteers of the Youth for Parivarthan organization and transformed a school that was not much pleasing to look into a beautiful place filled with colours on the walls.

The MBA department of The Oxford College of Engineering conducted an outreach program on 29th March 2023, with a visit to the Mathrubhoomi, a non-profit organization registered under Karnataka Societies Act 1960. It is a residential Hostel for Boys promoting better education, Better Care and better future for boys. Children in this residential hostel have been handpicked from slum areas, children who have lost a parent and who are from slums, wandering around and not going to school.

There are 17 children at the residential hostel aged from 4 to 11 years. They reside at the hostel and attend the school at the government school at the main road. Stationary items comprising of ruled books, lead pencils, colour pencils, blue and red pens were purchased and distributed it to 17 children of Mathrubhoomi.

The MBA department of The Oxford College of Engineering conducted an outreach program on 29th March 2023, with a visit to the Samarthanam Trust for the Disabled is a National Award winning NGO established in the year 1997 by Founder Managing Trustee Mahantesh G Kivadasannavar and his schoolmate and childhood friend, Late Sugur Paramashivaiah Nagesh.

Samarthanam, one of the biggest NGOs in India, works for the empowerment of persons with disabilities and the underserved through its diverse initiatives focused on providing quality education, accommodation, nutritious food, vocational training and placement based rehabilitation. It facilitates opportunities to enable persons with disabilities and the underserved to keep pace with the rest of the society.

Today, Samarthanam Trust stands to be a complete solution provider by supporting education and livelihood needs of persons with disabilities and those from underprivileged backgrounds. The organization also facilitates direct livelihood opportunities to hundreds of persons with

disabilities and women in distress through its Social Enterprises. Cricket Association for the Blind in India (CABI), the cricketing arm of Samarthanam, fosters the game of blind cricket and the visually impaired players across India.

The first year MBA students contributed their one day pocket money, and the following items were donated: Rice 13 Kgs, Dhal- 1 Kg, Oil 2 Ltr, Sambar Powder – 2 Packets, Rasam Powder – 2 Packets, Jaggery- 5 kgs and salt 2 kgs

On 2nd June 2022, Department of Mechanical Engineering, The Oxford College of Engineering sponsored the No Plastic Awareness Programme at BTM Lake, Bangalore. The programme focused on bringing awareness about the avoiding plastic as much as possible in environment. Participants of the event consisted of 26 students and a faculty from the department of mechanical engineering. The event began at 10:00 AM and all the students started rally to spread the awareness in the BTM Lake, Bangalore. The aim is to increase public understanding and shape community perceptions on the dangers of plastic pollution and available solutions, thereby empowering more people and organizations to take action. Community actions can include changes in individual attitudes and purchasing habits, increased sorting and recycling behaviour, responsible business processes and practices, among others.

BEAUTIFICATION OF THE UGLY WALL AT KR CIRCLE

26/06/2022

Activity name: Site cleaning and beautification at KR circle.

Date: 26/06/2022

Location: KR Circle Bangalore.

Activity's main aim was to beautify a public wall. The team decided to clean a place and to beautify and sketch on it.

And not only cause of activity points, even with my personal interest I too joined their team which was my duty as a citizen. We all followed SOP guidance issued by Government of India.

With lots of excitement we all gathered at a spot in the early morning. Then the team explained and guided the task that need to be done. They fixed a mentor to set of students to assist till the end. Then they made us to register ourselves with YFP (Youth for Parivarthan). Then they divided our task that is to beautify a wall.

- Scrubbing
- Painting
- Sketching (Mandala art).

PHASE 1: SCRUBBING THE WALL

As a Phase 1, In order to remove all the dust, dirt and to place a paint predominantly we scrubbed a wall with the brushes that are given by them to us. And we all divided equal parts among ourselves and scrubbed all over the wall. And in-between while working on it, we understood our responsibilities in keeping surrounding clean.

PHASE 2: PAINTING

As a phase2, we all painted a wall with red color as shown in figure2.1 and footpath with green and yellow patterns as shown in figure2.2 with the help of rollers and brushes. And exactly, this part was best and most enjoyable and

colorful. For an hour we all had been a painter. Truly we were feeling proud in making it.

PARIVARTHAN DRIVE (K R Circle Chapter)

26 JUNE 2022 SUNDAY | 7:30 AM onwards | Dr. Ambedkar Veedhi, Near City Civil Court & Sir. M. Vishweshwaraiah Metro Station, KR Circle, Bengaluru

Join us to clean and beautify a long stretch of wall near K R Circle and contribute towards Swachh Bharat!

LAKE BEAUTIFYING DRIVE AT KSRP BATTALION CAMP, HOSA ROAD

Activity name: Site cleaning and beautification at KSRP BATTALION CAMP

Date: 18/09/2022

Location: KSRP Battalion camp, Hosa road Bangalore.

Activity's main aim was to beautify a public wall. The team decided to clean a place and to beautify and sketch on it.

The task is divided into the followings to beautify a wall.

- Scrubbing
- Painting
- Sketching (Mandala art).
-

The beautification project of the lake premises inside KSRP campus at Kudlu in Bengaluru was a joint effort of over 100 volunteers from Youth For Parivarthan and KSRP staff members.

The lake inside the KSRP campus was developed using discarded waste materials from BBMP.

The Youth for Parivarthan team was given the opportunity to lead the beautification project of the lake premises.

The project involved painting the boundary wall, pathway pedestal, and sketching artistic mandala designs and portraits of Dr. APJ Abdul Kalam, Swami Vivekananda, Sir M. Visveswaraya, and Kuvempu on the walls.

The project was carried out with the help of KSRP staff members who joined hands with the Youth for Parivarthan volunteers.

The project started at 5.30 AM and went on for 13 hours until 6.30 PM.

The volunteers worked tirelessly for 13 hours, displaying selfless dedication and commitment towards the beautification of the lake premises.

The project was a grand success, and the beautified lake premises now serve as an inspiration to all those who visit the KSRP campus.

BEAUTIFICATION OF GOVERNMENT SCHOOL AT HEROHALLI

Activity name: Painting and beautification of Govt. school at herohalli.

Date: 24/09/2022

Location: Govt. school Herohalli Magadi main road Bangalore.

Team Youth for Parivarthan collaborated with Morae Global Corporation to beautify the Government Lower Primary School at Herohalli in Bengaluru.

The beautification project was carried out by over 100 volunteers from the team.

The project aimed to improve the aesthetics and overall environment of the school for the benefit of the students and staff.

The collaboration between Youth for Parivarthan and Morae Global Corporation highlights the importance of public-private partnerships in promoting social welfare and community development.

The project reflects the team's commitment to making a positive impact in the local community and fostering a sense of civic responsibility among young people. The success of the project is a testament to the power of teamwork and the contributions of each individual member towards achieving a common goal.

CLEANING AND BEAUTIFYING AN UGLY BLACK SPOT

2nd OCTOBER 2022

Activity name: Cleaning and beautifying an ugly black spot

Date: 2/10/2022

Location: Leprosy Hospital Tank bund road Binnypet Bangalore.

Activity's main aim was to beautify a public wall. The team decided to clean a place and to beautify and sketch on it.

The task is divided into the followings to beautify a wall.

- Scrubbing
- Painting
- Sketching (Mandala art).

Over 180 volunteers from team Youth For Parivarthan cleaned and beautified the 450m stretch of wall at Magadi Road, Binnypet in Bengaluru and celebrated the 8th anniversary of Swachh Bharat Abhiyaan on the occasion of Gandhi Jayanthi & Lal Bahadur Shastri Jayanti. The wall was beautified with beautiful mandala designs and portraits of Mahatma Gandhi & Lal Bahadur Shastri.

Several residents from the neighbouring apartments visited the location and appreciated the team for the efforts.

BEAUTIFICATION OF VANI VILAS ROAD AT BASAVANAGUDI

4th DECEMBER 2022

Team Youth For Parivarthan took the initiative to beautify an ugly black and yellow spot on Vani Vilas Road in the heart of Basavanagudi in Bengaluru. Over 100 volunteers joined hands in this Parivarthan Drive. Activities included scrubbing the wall, beautification of wall, construction and painting of footpath and plantation process

The Activity involved various initiatives such as cleaning streets, roads, and public areas, promoting waste segregation, and recycling, and creating awareness among the public about the importance of cleanliness and hygiene. The campaign has also emphasized the need for behavioural change and community participation in maintaining cleanliness and sanitation in public areas.

The students of Oxford College of Engineering, Mechatronics branch took part in the event and created awareness among the public about the importance of cleanliness and hygiene. The works like cleaning and painting the walls, planting the saplings were done in the event.
