The Vision, Mission of the department is defined in line with AICTE, VTU, NAAC and NBA through a consultative process involving all the stakeholders. The statements also considered the institutional Vision and Mission and other societal needs in the field of Computer Science and Engineering and allied fields.

The following process was adopted in framing Vision and Mission of the department.

Department Vision and Mission has been framed with reference to the Institute Vision, Mission and views from the internal, external stake holders through regular meetings and feedbacks. Brain storming sessions are conducted at the Department Advisory Committee to develop a vision and mission statements.

1. During the initial phase, Head of Department and DAC members define the draft version of the vision and mission statements which are inline with the vision and mission of the institute.
2. The draft copy of the vision and mission statements are shared with stake holders: faculty, students, alumni, management and IQAC for the feedback.
3. Collected feedback from the stake holders are discussed among DAC members and is modified if require before finalization.
4. New vision and mission statements (outcome of the DAC meeting) are placed before the IQAC for recommendation.
5. Once the IQAC board recommended vision and mission statements, they are published in the website and other places stated in Indicate where the Vision Mission and PEOs are published and Disseminated among Stakeholders. If any suggestions/comments by the Internal/External stake holders are noted and considered for next cycle of revising the vision and mission statements
