### **Proforma criteria followed to Identify Advanced Learners/Slow Learners**

- Slow and advanced learners are identified by the Head of the department , Class teacher Course faculty and mentor based on their continuous internal evaluation(CIE)
- Students who have scored less than 60% in CIE are classified under slow learners and those who have scored above 80% in CIE are classified as advanced learners
- Slow learners are assisted by attending remedial classes conducted by the subject teachers and through counseling by mentors, class teachers and subject faculties
- Advanced learners are encouraged to do innovative projects and recommended for getting rewards

#### **Guidelines for identifying Advanced Learners:**

- Advanced learners are those students who have outgrown their learning materials.
- Students are placed in categories based on their grade and performance in internal.

#### **Following Special activities are conducted for Advanced Learners:**

- Advising for career planning
- Encouraged to participate in BE (honours) program.
- demonstration or seminar on the advanced topic
- leading the students for Competitive Examinations.
- instructing programs for gaining advanced technical know-how.
- Motivating the students to participate in various symposiums like quiz, poster presentation, Conferences, inter institution competition etc.
- encouraging to take course in Coursera and NPTEL
- Inspiring them to take value added course, certification courses

#### **Guidelines for Identifying slow learners:**

- The slow learner require additional attention to cope up with the syllabus. Each department tries to help their students by excellent mentoring system. Faculties take special care and extra classes for the slow learners for which timetable is framed.
- Based on every internal performance slow learners are identified. These are the students who get less than 60% in their continuous internal evaluation.

#### **Following actions are taken to improve the academic performance of slow learners**

- Subject teachers take extra classes or remedial classes to help the slow learners.
- Remedial classes are conducted to help the students to cope up with the syllabus.
- Mentors do personal counseling to motivate the students and help them to improve their academics.
- Student's academic performance is conveyed to the parents by the mentor.
