INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Dear Ayush,

Congratulations! It is with great pleasure that I offer you admission to the Software Engineering, MS program for the Fall 2023 term at Rochester Institute of Technology. Your admission is contingent on completing the requirements outlined on the RIT Graduate Admission Contingency form. In addition, graduate study at RIT requires excellent English language skills. Your academic department has admitted you contingent upon your successful completion of English language courses through RIT's English Language Center, in addition to the courses required for your graduate program.

Your application and supporting documents detailing your accomplishments convinced the Admissions Committee that you have the scholarly aptitude to flourish in a diverse community of scholars, entrepreneurs and humanitarians. Admission to graduate study at RIT is a selective process; you should take pride in this attainment.

RIT is a university where brilliant minds assemble in service of innovative ideas and creative solutions. Among the nearly 4,000 colleges and universities in the U.S., **RIT ranks in the top 4 percent** for selectivity and is considered a "best value" university according to *U.S. News & World Report*. We invite you to accept our offer and avail yourself of the rich academic resources available to you.

To accept our offer of admission and complete the enrollment process, please complete the online Reply to Offer of Admission form by May 1, 2023, which can be found on your Application Status page at join.rit.edu/account/login. After accepting our offer of admission, please pay the \$500.00 Advance Tuition Deposit by May 1, 2023. This reserves your place in the program, allows you to apply for campus housing and access online resources. Your academic department will provide you with registration procedures and course schedules.

If any questions arise, please check our website, rit.edu/admissions/graduate/accepted-students, contact us at gradinfo@rit.edu, or call us at 585-475-2229. From this point on, we will send you a series of emails containing important information about your admission to RIT. Be sure to add gradinfo@rit.edu to your approved sender list.

Again, congratulations, I am thrilled to welcome you to RIT.

AS A NEW GEORGIAN COLLEGE STUDENT, YOU ARE RESPONSIBLE FOR AND ACKNOWLEDGE THE FOLLOWING:

- There may be changes to my program timelines, requirements, etc. due to unforeseen circumstances or situations outside the control of Georgian College.
- It is my responsibility to ensure I **fully understand** the College policies regarding **registration, fees, withdrawal processes and refunds**, as well as relevant academic, health and safety, and virtual classroom policies, procedures and protocols as outlined on the College website.
- In this respect, I am responsible for carefully reviewing and complying with all placement requirements, including those imposed by external agencies on medical requirements, general health & safety, criminal background checks and vulnerable sector screening, and acknowledge that my failure to meet these requirements may prevent me from commencing or continuing a placement, and, as a consequence, from completing my program.
- I am also responsible for immediately notifying the College of any changes to my status in respect of the foregoing and acknowledge that such changes may mean that I can no longer continue with a placement and my program.
- My lack of knowledge of these requirements or policies, particularly as they pertain to **academic misconduct**, does not constitute a valid defence against action by the College nor a claim against it for failure to be able to complete my program.
- From time to time, government agencies review samples of student work as part of the College quality assurance process. All identifying information is removed. For more information, please contact your program coordinator.

1. TUITION FEES

You're responsible for submitting payment for the total amount listed on your LOA, including tuition and ancillary fees. Estimated tuition fees may include two or three semesters depending on program progression (visit our [full-time programs](#) website for details). Additional costs are approximate and may include such living accommodations (up to \$1000/month), transportation (\$70/month), food (\$500/month) and books and supplies (\$500 to \$2,000/year). Some programs have additional costs, which can be viewed on the program-specific fees section of the [Tuition and Fees web page](#).

Ensure all fees are received by the deadlines. The non-refundable tuition deposit payment holds your seat in the program and must be received by the deadline in the LOA. The deposit payment will be applied toward the full amount of your total tuition fees. Your full semester payment, along with proof of study permit, is required prior to registration.

Any changes made to your registered courses during the add/drop period can affect your balance owing. You're responsible for checking your account summary and ensuring any **new fees are paid immediately**. If additional charges or courses (exceeding a full-time course load) are added, you will need to pay the outstanding balance by Day 11 of the term. See above Step 2: *Submit payment to hold your seat above for payment and receipt information.*

If Georgian College must use a collection agency or law firm to collect amounts due, you agree to pay Georgian's additional costs, including interest and/or legal fees.

Additional optional ancillary fees will be available for students to opt out of during registration. [View detailed descriptions of all tuition and ancillary fees.](#)

2. REQUEST FOR REFUND, WITHDRAWAL OR DEFERRAL

The tuition deposit is non-refundable. By paying the deposit, you're reserving your seat in the program for the start date listed in the LOA, and the college is ensuring you'll have a full-time course schedule available at the time of registration. As a new student, you are responsible for complying with the college's deadlines and procedures, if you choose to withdraw from your program and/ or courses. [Review our academic policies.](#)

Deadlines. You must comply with the withdrawal deadlines listed in the [Important Dates](#).

- 5th day of classes: last day to request a deferral
- 10th day of classes:
 - Last day to add/ drop courses, withdraw from a program with partial refund
 - Last day to submit proof of visa refusal and request a full refund

REQUEST TYPE	SUBMIT BY DATE	SUBMISSION METHOD	DEPOSIT REFUNDED?
Withdrawal	Before day 10	International Withdrawal Package	Partial (less an administrative fee), if received & approved by deadline
Deferral	Before day 5	OCAS International Application Service (IAS) Portal	Transferred to new intake (not refunded), if received & approved by deadline
Withdraw & full refund (only for visa refusal)	Within two weeks of the date on the visa refusal letter	International Withdrawal Package with copy of the visa refusal letter	Yes, if submitted within two weeks of the date on the visa refusal letter

Request to withdraw from courses/ program. If you choose not to attend Georgian College, you must submit the [International Withdrawal Package](#) by the deadline. You may be eligible for a partial refund of prepaid tuition fees, less an administrative hold back fee that is calculated in accordance with the Ministry's refund policy. Georgian notifies Immigration, Refugees and Citizenship Canada (IRCC) of all withdrawals.

- If you're registered in courses and are unable to attend by the start date, you must communicate your intent to withdraw or request a deferral before the tenth (10th) day of classes.
- If you hold a seat in the program and remain unregistered by the tenth (10th) day of classes, a hold back fee will be charged to your account.
- If you are in [1+1 graduate certificate bundled programs](#), you are withdrawing from both programs.
- Withdrawal requests received after the deadline (day 10) are no longer eligible for any refunds for that semester's fees. It is important to submit the withdrawal request on time.

Request for full refund due to visa refusal. If your study permit/ visa application is refused, you must notify the college within two weeks of the date on the visa refusal letter, to request a full refund of tuition fees paid including the tuition deposit

- Include the official letter as proof of study permit refusal with the request you provide in the [International Withdrawal Package](#).
- Ensure you follow the deadlines listed in the [Important Dates](#).

Request to defer. If you are unable to begin your studies, you may request to defer your start date only one time.

- Deferred start dates are not guaranteed.
- A deferral request may be submitted by logging in to the OCAS International Application Service (IAS) Portal and submitting your request before the fifth (5th) day of classes.
 - Agents should go to <https://international.ocas.ca/agent>
 - Applicants without an agent should go to <https://international.ocas.ca/applicant>
- If you are registered in courses, you will be removed from your courses upon receipt of your request to defer. Withdrawal deadlines apply.
- Approved deferral requests do not receive full refunds; instead, the paid fees, including the tuition deposit, are transferred to the new program/ intake.
- If you have already received an approval to defer, you will not be permitted to request another deferral. Instead, you will need to withdraw from your current program and re-apply. Please consult with IntlRecruit@georgiancollege.ca for guidance.

3. HEALTH INSURANCE

As an international student, health insurance is mandatory and is included in quoted tuition fees. You must be registered into courses in an academic semester, or registered for a work term/co-op term for health insurance coverage to begin for that term. You are covered from day one of the month when your classes start but will get the insurance card in your student e-mail in the last week of that month.

ENSURE APPROPRIATE COVERAGE UPON ARRIVAL IN CANADA. If you arrive early, it is strongly recommended that you purchase additional insurance. [Find more information about your health insurance](#) through GuardMe.

Health insurance coverage will not be refunded, if you officially withdraw from the College (or transfer to another institution) after the add/ drop deadline. Review [Important Dates](#).

All fees quoted are based on fees approved for current academic year. A 3%-12% fee increase may apply to future years. Please note tuition fees are subject to change without notice.

4. GENERAL ARTS AND SCIENCE - ENGLISH FOR ACADEMIC PURPOSES (EAPC):

Placement in EAPC levels is determined by testing conducted at EAP orientation ([review the EAP program page for details](#)), or students may provide accepted English language proficiency tests such as IELTS ([review the full list of acceptable tests and required scores to meet English language proficiency requirements](#)).

Final costs for EAPC depend on the number of sessions required by the student. Each seven-week session costs \$3,000. Fees are structured as follows:

- Seven-week term: \$3,000 CAD
- Semester one fees (14 Weeks): \$6,000 CAD

If you received an offer for EAPC plus a post-secondary program, you're only required to pay one deposit of \$3,000 CAD by the deadline indicated on your offer letter. This non-refundable deposit will be split to hold your seat in both programs: \$500 for EAPC and \$2,500 for your post-secondary program. You're responsible for paying the balance of your EAPC fees no later than the first day of classes.

5. CO-OPERATIVE EDUCATION AND WORK-INTEGRATED LEARNING

International students in work integrated learning (WIL) programs, such as co-operative (co-op) learning, internships, clinical placement, practicum, field placements, **must have a valid co-op work permit to complete the work term in Canada**. Refer to the PROGRAM INFORMATION section or your [program webpage](#) to confirm whether an Internship/ work practicum is required in your program.

Apply for your co-op work permit when you apply for your study permit. Due to lengthy immigration processing times, it is recommended that you apply prior to arriving in Canada, as any delay can impact your eligibility to work as part of your program. Co-op Consultants provide resources and support including job postings; however, you must also complete an independent job search to maximize your success in securing co-op positions. You can increase your opportunity for success with a valid driver's licence and flexibility with work term locations.

FORMS AND PLACEMENT REQUIREMENTS

A co-op work permit is required to begin placement. Many programs, particularly in Health and Wellness, Community Safety, and Human Services, include placements that require immunization or criminal record checks among other possible requirements. These requirements must be met before your placement starts. It's your responsibility to ensure that you're eligible to participate. Some placements are unpaid and full-time, which may mean you can't work during that time. You'll need to have sufficient funds for living expenses during the unpaid placement.

Below is a short list of programs, but please **visit the [Placement Offices webpage](#) to see if your program has requirements you need to meet before the term starts.**

What to do next

1. Check your personal details on your CAS statement. They must be exactly the same as in your passport, otherwise this CAS number will not be valid.
2. Check your course details. The name of the course may be different to the course title on your offer letter. You'll still be studying the course stated on your offer letter, it is simply that some courses at NTU have more than one route and we use the official main course title for the CAS statement.
3. Check your course start date and plan to be on campus and ready to attend classes on this date. If you're a continuing student who needs extra time on your visa to complete the course which you're already studying, you need to take note of the actual course start date as shown in the 'Evidence Used to Obtain Offer' section of the CAS for your visa application
4. Check your fee details. The fees shown apply to the current academic year of study when you start or continue your studies.

If any of the information is wrong, or not what you were expecting, please email NTU immediately by replying to this email so we can check your details again before you apply for your visa.

Important: Making your visa application

If you are applying from outside the UK you can apply for your visa up to 6 months before your course start date.

If you are applying from the UK you can apply for your visa up to 3 months before your course start date.

Applications made before the dates stated above will be rejected by UKVI.

Get your BRP delivered to the University

As part of your visa application, you can choose to have your BRP delivered to the University. We strongly recommend this option. Further information is available here: [Making your student visa application](#)

The International Student Support Service provides guidance to NTU applicants and students making Student visa applications. They can answer general enquiries as well as check documents before you pay for your visa application to ensure they meet the UKVI requirements.
