VISION
To produce technocrats with creative technical knowledge and intellectual skills to sustain and excel in the highly demanding world with confidence.

MISSION

M1: To produce the Best Computer Science Professionals with intellectual skills.
M2: To provide a Vibrant Ambiance that promotes Creativity, Technology Competent and Innovations for the new Era.
M3: To pursue Professional Excellence with Ethical and Moral Values to sustain in the highly demanding world.

PROGRAM EDUCATIONAL OBJECTIVES (PEO)

- To create graduates equipped with life-long learning skills and have a successful professional career in IT industry.
- To prepare graduates to pursue higher education and get inclined towards research & development in computer science engineering.
- To provide adequate training and opportunities, with exposure to emerging cutting edge technologies and to work in teams on multidisciplinary projects with effective communication skills and leadership qualities.

PROGRAM SPECIFIC OBJECTIVES (PSO)

- To design efficient algorithms and develop effective code for computations.
- To apply software engineering principles in developing optimal software solutions.

**Consistency of the Department statements with the
Institute statements**

Vision and Mission of the department are in line with institution's Vision and Mission, where Vision emphasizes that several problems that exist in the society can be solved through technology and its advancements. In particular, Department Vision emphasizes, that the role of computers in technology is inevitable. Such technology can be used for research to benefit the society. This directly contributes to the overall Vision of the Institute.

Following Table-1 depicts the relationship between Department Vision as rows and Institute Vision as columns.

	To be a respected and Most sought	Equipping individuals	Building learning organization in the new millennium"
To produce technoerats with creative technical knowledge and intellectual skills world with confidence".	✓	✓	✓
To sustain and excel in the highly demanding		✓	✓

Table-1 : Correlation between Department Vision and Institute Vision

CHILDREN'S EDUCATION SOCIETY (Regd.)

Administrative Office:

1st Phase, JP Nagar, Bengaluru – 560 078

☎: 080-61754501 – 502 Fax: 080-2654 8658

THE OXFORD COLLEGE OF ENGINEERING

(Recognized by the Govt. of Karnataka, Affiliated to Visvesvaraya Technological University, Belagavi,

Approved by A.I.C.T.E. New Delhi & Recognized by UGC Under Section 2(f),

Accredited by NBA, New Delhi, NAAC 'A' Grade with score of 3.24 & Diamond Rating by QS I Guage)

E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

Table : 2 Depicts the relationship between department Mission as rows and Institute Mission as columns. The Mission M1 of department of CSE, "To Produce the Best Computer Science Professionals with Intellectual skills", exactly matches Mission "To develop Competent Students with good value Systems and Face Challenges of the Continuously Changing World.", M1 of the college. So, department M1 helps in achieving M1 of the institution.

	M1
M1	✓
M2	✓
M3	✓

Table- 2 : Correlation between Department Mission and Institute Mission

Institutionally, modern teaching methods are implemented and a vibrant ambience is provided for Creativity, Technology Competent and Innovations for the new Era. Hence, M2 of the department is inline with Mission M1 of the institution.

Institute promotes engineers as responsible citizens with Professional Excellence, Ethical and Moral Values to sustain in the highly demanding world. This is achieved by training them with professional & behavioural activities at the department level. So M3 maps with M1 of the Institute.

VISION OF THE INSTITUTE
 To be a respected and most sought after engineering educational institution engaged in equipping individuals capable of building learning organizations in the new millennium.

MISSION OF THE INSTITUTE
 To develop competent students with good value systems and face challenges of the continuously changing world.

VISION OF THE DEPARTMENT
 To meet the educational, research & service needs of the region through collaboration with academic, technical institutions, businesses, government agencies & cultural organizations, thereby, providing a platform that encourages students & faculty to continue their Intellectual & Professional growth.

MISSION OF THE DEPARTMENT
 M 1: To develop the best Information Science professionals who work creatively and communicate effectively.
 M 2: To develop the best Information Science professionals to become technologically competent.
 M 3: To mould them in to good citizens by inculcating sense of ethical values in them.

PROGRAM OUTCOMES (PO'S)

1. Engineering Knowledge: Apply the knowledge of mathematics, science, engineering fundamentals, and engineering specialization to the solution of complex engineering problems.
2. Problem Analysis: Identify, formulate, review research literature and analyze complex engineering problems; design and develop algorithms, interpret and analyze data, report substantiated conclusions, using first principles of mathematics, natural sciences, and engineering sciences.
3. Design/Development of Solutions: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.
4. Conduct Investigations of Complex Problems: Use research-based knowledge and research methodologies to develop confidence and skill to address the team related issues and take up the challenges of leadership enthusiastically to attain the goal.
5. Modern Tool Usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations and find solutions to IT, ITES and real time problems.
6. The Engineer and Society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
7. Environment and Sustainability: Understand the impact of the professional engineering solutions in communal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
8. Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
9. Individual and Team work: Function effectively as an individual, and as a member or leader in diverse teams, in multidisciplinary settings.
10. Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports, and design documentation, make effective presentations, and give and receive clear instructions.
11. Project Management and Finance: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage software projects and in multidisciplinary environments
12. Life-long Learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

1. Be capable of understanding, analyzing and applying current & emerging technologies to design and develop solutions to IT/ITES/Software/Telecom related problems and acquire value and employment.
2. To have sound foundation in mathematical, scientific and information science engineering fundamentals necessary to formulate, solve and analyze practical problems and to prepare students for further studies and research.
3. Function effectively as individuals and team members in the workplace, growing into highly technical or project management and leadership roles, in various organizations.
4. Create an awareness of the life-long learning process, to communicate effectively, learn necessary tools to successfully identify and adapt to ever changing technologies, by ethical means and code of professional practice.

PROGRAM SPECIFIC OBJECTIVES (PSO)

1. Provide effective and efficient real time solutions with the application of knowledge in IT, ITES, Networking and Software domains.
2. Demonstrate the ability to work in a team, with professional ethics, good communication and documentation skills in designing, implementation and management of software products and services, at optimal cost.
3. Proven capability to exchange views/concepts, incubate ideas and to carry out lifelong learning with zeal, to be aware of the state of art technologies and their development.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION
ENGINEERING

VISION

To be a respected and most sought after engineering educational institution engaged in equipping individuals capable of building learning organizations in the new millennium.

MISSION

Mission 1. To Provide the world with a highly committed and quality conscious engineering workforce.
Mission 2. To Encourage the students to built self-help, Power of initiative, courage to change and create new things.
Mission 3. To inculcate the spirit of cooperation and capacity for organization with special emphasis on their self-reliance and sustainability to meet ever changing requirements of local and global industries.

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

PEO 1. Graduates apply their knowledge of mathematics and science to identify, analyze and solve problems in the field of Electronics & communication to develop sophisticated communication systems.
PEO 2. Graduates to design and buildup interdisciplinary systems by solving core engineering problems in communication systems which are technically sound, economically feasible and socially acceptable.
PEO 3. Graduates exhibit desire for life-long learning which directs them to obtain thorough knowledge in their chosen fields and motivate them for higher studies/research.

PROGRAM SPECIFIC OUTCOMES (PSOs)

PSO 1 : An ability to understand the basic core courses of Electronics & Communication Engineering and to relate them to various areas of application like Communication Systems, control system, Signal processing, VLSI and Embedded systems.
PSO 2 : Should have capability to apply modern tools to analyze and solve complex designs with optimal solutions for various real-world applications
PSO 3 Excellent adaptability to changing work environment with good leadership qualities and zeal for social and environmental well-being.

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

VISION

To meet the educational and research needs of the student community and staff through collaboration with other academic and technical institutions, industry and government agencies and make the students to face problems of the country and society as a whole.

MISSION

M1: To develop and train competent Electrical and Electronics Engineers with adequate practical skills.

M2: To provide state – of the – art resources that contribute to achieve excellence in teaching-learning, research and development activities.

M3: To inculcate, ethics, leadership, moral values and social activities.

THE OXFORD COLLEGE OF ENGINEERING
DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING
 Bommanahalli, Bangalore-68

Vision
 To meet the educational and research needs of the student community and staff through collaboration with other academic and technical institutions, industry and government agencies and make the students to face problems of the country and society as a whole.

Mission
 M1- To develop and train competent Electrical and Electronics Engineers with adequate practical skills.
 M2- To provide state-of-the-art resources that contribute to achieve excellence in teaching-learning, research and development activities.
 M3- To inculcate, ethics, leadership, moral values and social activities.

Programme Educational Objectives:
 Graduate of the programme will

- Be able to apply the fundamental knowledge of mathematics, science, electrical and electronics engineering to analyse and solve the complex problem in electrical, electronics and allied interdisciplinary areas.
- Possess good leadership skills, function ethically in multidisciplinary areas to develop sustainable solutions for global, environmental and social issues.
- Be able to inculcate lifelong learning to maintain and enhance professional skills.

Program Specific Outcomes

- Apply fundamental knowledge to identify, formulate, design and investigate various problems of electrical and electronic circuits, power electronics, control systems and power systems.
- Apply modern software tools for design, simulation and analysis of electrical systems to engage in life-long learning and to successfully adapt in multi-disciplinary environments.
- Solve ethically and professionally various Electrical Engineering problems in societal and environmental context and communicate effectively by applying project management techniques to complex engineering problems.

Program Outcomes

PO No.	Electrical Engineering Program helps the students to attain the following outcomes:
PO-1	An ability to apply the engineering science knowledge acquired in creating good projects and solutions to problems faced by the industry.
PO-2	An ability to analyse, design and innovate products, solutions for day to day problems.
PO-3	An ability to design, implement and evaluate Hardware / software components to meet desired needs with constraint related to economic, environment, social, health and safety.
PO-4	An ability to apply research based knowledge and methods in designing / analysing complex problems.
PO-5	A good knowledge about simulation and design on various packages relevant to their specialization like MATLAB, PSPICE, MiPower, ECAD etc and also to apply them in relevant designs.
PO-6	An ability to design and develop specialized instrumentation required for monitoring the health of the aged people and developing devices which can help people having various form of disabilities.
PO-7	An ability to find solutions related to problems created by usage of technology.
PO-8	An ability to understand ethical, legal professional and social issues in Electrical Engineering practice.
PO-9	An ability to work in a team with good understanding and also to lead a team.
PO-10	An ability to communicate effectively.
PO-11	An ability to manage both people and finance information.
PO-12	Recognition of the need for and an ability to engage in Life - Long Learning.

VISION

To become a center of excellence providing state of the art engineering education in Mechanical Engineering and making individual to be capable of building nation in the new millennium.

MISSION

Mission 1: To provide an excellent teaching and learning process for the students to meet the needs and standards of the current industries and higher learning process.

Mission 2: To promote research and development activity in the recent emerging trends of the Mechanical Engineering department.

Mission 3: To provide the students with good communication skill, lifelong learning, team spirit and leadership qualities to face the current society.

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

PEO 1: Graduates in Mechanical Engineering will apply the basic technical knowledge for design, product development and analysis of Mechanical Engineering systems.

PEO 2: Graduates in Mechanical Engineering will demonstrate skill for research, innovation, higher studies and entrepreneurship.

PEO 3: Graduates in Mechanical Engineering will demonstrate good communication skills, dynamic leadership qualities and awareness about environmental protection, blended with ethics and human values.

PROGRAM SPECIFIC OUTCOMES (PSOs)

PSO1: Apply Mechanical Engineering knowledge to address wide range of technical and societal problems with creativity, imagination, confidence and responsibility.

PSO2: To understand the design analysis of Mechanical components in various industrial sectors.

PSO3: Analyze, design and evaluate engineering systems including I.C Engines, Refrigeration, Air-conditioning, Conventional and Non-Conventional Power Generating Systems.

To be a respected and most sought after engineering educational institution engaged in equipping individuals to be capable of building learning organization in the new millennium.

MISSION OF THE INSTITUTION
To develop competent students with good value systems to face challenges of the continuously changing world.

VISION OF THE DEPARTMENT
"To develop the Mechatronics Engineering Department as a leading educational and research department with innovation in the design and development of electro- mechanical systems, intelligent machines and products".

MISSION OF THE DEPARTMENT
M1: To provide an outstanding education in Mechatronics Engineering with a rich diversity of skills.
M2: To contribute to the community prosperity through professional services and research.
M3: To prepare graduates with ability to engage in life-long learning and capable of carrying out engineering practice with competence.

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)
PEO 1: Inculcate knowledge of basic engineering sciences and fundamentals of mechanical, electrical and computer systems.
PEO 2: Create ability in graduates to design, develop product and applications in the field of Automation and Mechatronics and be able to use engineering tools that will enhance their productivity.
PEO 3: Prepare graduates to be effective engineers with good analytical and problem solving skill to innovate, research and develop in a multidisciplinary Mechatronics environment

PROGRAM SPECIFIC OUTCOMES (PSOs)
PSO 1: An ability to understand the concepts of Mechatronics Engineering and to apply them to various areas like Mechanical, Electrical machines, Signal processing, Embedded systems, Communication Systems, Digital & Analog Devices, Computer fields etc.
PSO 2: An ability to solve complex Mechatronics Engineering problems, using latest hardware and software tools, along with analytical skills to arrive cost effective and appropriate solutions.

Agenda 1: Review of the 35th IQAC Minutes of Meeting (MOM)

- The minutes of the 35th IQAC meeting were reviewed, and the progress made was found to be satisfactory.

Agenda 2: Implementation of Purchase Module in JUNO

- Dr. Devi Vignswari, Professor of EEE and JUNO Coordinator, provided a detailed explanation regarding the procedures for making purchases and the steps for entering data into the JUNO software.
- The Principal emphasized the importance of maintaining transparency and accountability by mandating that the stock register will be verified monthly.

Resolution:

CHILDREN'S EDUCATION SOCIETY (Regd.)

Bommanahalli, Hosur Road, Bangalore – 560068. ☎: 080 -61754601/602

E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

Resolution:

- It was resolved that all future purchases will be conducted digitally through the JUNO platform. Faculty and staff are expected to coordinate and cooperate to ensure smooth implementation of this process.

Agenda 3: Preparation for QS-I Gauge Ranking and LIC Visit

- The Principal instructed all Heads of Departments (HODs) to promptly complete any pending tasks related to QS-I Gauge ratings and upload the necessary information to the portal without delay.
- The VTU Checklist 01 and 02 must be finalized by HODs by **June 15, 2023**, along with determining faculty requirements as per the latest VTU norms for 2023-24.
- The Principal advised that data from the student counseling cell should be organized and readily available in the office.

Formation of Teams for QS-I Gauge Advanced Criteria:

1. Research Team:

o Members:

- Dr. Preeta Sharan, Dean R&D
- Dr. B.K. Manjunath, HOD-BT
- Dr. Madhu Sudhan Reddy, HOD-ME
- Dr. Saravana Kumar, Professor-CSE
- Prof. Anoop, Dept. of ME

- o **Task:** Prepare and submit the draft document by **July 20, 2023**.

2. Academic Development Team:

o Members:

- Dr. Vijaya Kumari, Dean and Academics
- Dr. R. Ch. A Naidu, HOD-CSE
- Dr. R. Kanagavalli, HOD-ISE
- Dr. Manju Devi, HOD-ECE

- o **Task:** Prepare and submit the draft document by **July 20, 2023**.

- The Principal reiterated the need to complete and update the QS-I Gauge Rating Questionnaire at the earliest.

Resolution:

CHILDREN'S EDUCATION SOCIETY (Regd.)

Administrative Office:

1st Phase, JP Nagar, Bengaluru – 560 078

☎: 080-61754501 – 502 Fax: 080-2654 8658

THE OXFORD COLLEGE OF ENGINEERING

(Recognized by the Govt. of Karnataka, Affiliated to Visvesvaraya Technological University, Belagavi,

Bommanahalli, Hosur Road, Bangalore –560068. ☎: 080 -61754601/602

E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

- The committee resolved to monitor the preparation and execution of QS-I Gauge-related work closely.
- All members were urged to approach the proposed plans of action with commitment and dedication.

Agenda 4: Activities and Graduation Day

- Professional bodies and chapters such as ISTE, IETE, IEEE, and CSI were directed to plan and execute their respective programs effectively.
- The Graduation Day celebration is scheduled for **July 8, 2023**, with Dr. B.K. Manjunath, HOD-BT, appointed as the convener.
- Each department was instructed to conduct a minimum of five programs using the budget allocated to them.
- HODs were reminded to submit name corrections for the VTU website and provide hard copies of the corrections for 2023-24 to the office.
- The Principal reviewed the status of completed and ongoing departmental projects.

Resolution:

- The committee expressed appreciation for the IQAC team's efforts and plans of action.
- It was recommended that all proposed actions be executed in a collaborative and committed manner.

Agenda 5: IQAC plans of action for the AY 2023-24

- Innovative pedagogical approaches.
- Increase in ICT usage.
- Development of e contents.
- Enhancing quality of research publications.
- Analyzing feedback from stakeholders and actions proposed as per recommendations.
- Enhancing the infrastructure in labs.

Resolution :

The committee members further suggested that all the proposed plans of actions should be taken up by all concerned in right spirit.

Agenda 1: Review of the 36th IQAC Minutes of Meeting (MOM)

- The IQAC team of TOCE presented the action-taken report from the 36th IQAC meeting.
- The committee reviewed the progress and discussed the proposed plans of action for the academic year 2021-22.
- The IQAC Chairperson shared updates, including:
 - TOCE received a **4-star rating** in the Institution Innovation Council (IIC).
 - The Chairperson congratulated the team for their exemplary support and cooperation.

Agenda 2: Discussion on Various Academic Works

- The Chairperson outlined the following updates and directives:
 - The **Induction Program** for first-year students will be conducted from **September 11 to September 16, 2023**, followed by regular classes commencing on **September 18, 2023**. Subsequent induction sessions will be held every Saturday.
 - Management seat student lists have been emailed to the Head of the Department (HOD) of Science and Humanities (S&H).
 - A meeting attended by the Chairperson on **September 8, 2023**, at VTU highlighted:
 - Increased valuation centers to ensure semester results are published within four days post-exams.
 - The discontinuation of year-wise regulations or schemes.

E-mail: engprincipal@theoxford.edu Web: www.theoxfordengg.org

- The inauguration for first-year students (2023-24) is scheduled for **October 16, 2023**, at 12:00 PM.
- IQAC members and the Dean of Academics were tasked with identifying strategies to enhance academic performance.
- HODs were instructed to:
 - Interact with students with arrears to motivate them to clear their exams.
 - Maintain lists of exceptional students, slow learners, and toppers for regular interaction and encouragement.
 - Display weekly student attendance on notice boards for visibility.
- Students must maintain a minimum **85% attendance** as per VTU norms to qualify for semester-end exams.

Resolution:

- The committee appreciated the proposed plans of action and urged all stakeholders to implement them in the right spirit.

Agenda 3: NAAC and NBA Related Works

- The Chairperson emphasized the importance of preparing and submitting the NAAC AQAR 2022-23 report by **December 31, 2023**. Data collection should be completed by the end of **October 2023**, with submission by the **second week of November 2023**.
- HODs were instructed to upload QS I-Gauge data to the portal by **November 3, 2023**, and provide the necessary information to the administrative office for this purpose.
- Updates regarding UGC autonomous status:
 - The institution must obtain **2(f) status**.
 - At least three programs must be accredited by NBA or NAAC.
 - If these conditions are met, the institution can apply for autonomy anytime during the year.

Resolution:

- The committee resolved to monitor the preparedness and execution of NAAC-related work and encouraged timely action by all stakeholders.

Agenda 4: Research-Related Works

- Approval was granted for a **14-day Faculty Development Program (FDP)** by the Karnataka Skill Development Corporation (KSDC) on topics such as Advanced Pedagogy Skills, Design Thinking, and Training of Trainers.
 - Coordinators: Dr. Vijaya Kumari (Dean Academics) and Dr. C. Manjula (HOD-MTE).
- A **One-Day Familiarization Workshop on Robotics Systems** was scheduled for **September 4, 2023**, at ARTGARAGE, with participation from 35 students across departments. Certificates will be issued to attendees.
- Updates on innovation challenges:
 - Smart India Hackathon (SIH): Teams must include at least one female student and a mix of lower and higher-semester students.
 - YUKTHI Innovation Challenge: 32 ideas and prototypes have been submitted; an additional 30 must be submitted by **September 10, 2023**.
- HODs were instructed to establish startup incubation and innovation centers on campus.

- MBA and MCA departments were advised to publish at least 60-62 Scopus-indexed articles from their project work.

Resolution:

- The committee appreciated the efforts of the R&D department and urged all concerned to execute the proposed plans with dedication.

Agenda 5: Discussion on Student Placement

- The **Student Training Program** for final-year students will commence on **October 5, 2023**, from 9:15 AM to 5:00 PM, divided into five batches. Faculty coordinators are required for this program.
- Attendance is mandatory for all eligible students. Failure to attend will result in withheld exam hall tickets.
- The JUSPAY placement drive is scheduled for **November 8, 2023**, with 324 students registered.

Resolution:

- The committee resolved to oversee the preparedness and execution of placement drives and related activities.

• Curricular and Extracurricular Activities:

- The Chairperson instructed the Heads of Departments (HODs) to execute both curricular and extracurricular activities in alignment with their respective department activity plans to ensure holistic student development.

• Workshops and Training Programs:

- The Dean of Research and Development (R&D) announced a workshop on Android application development, scheduled to begin on December 6, 2023. It will be conducted online from 7:15 PM to 8:15 PM by Mr. Fabrizio Mayor of the National University of San Marcos, Peru. HODs of ISE, CSE, AIML, and MCA departments are to attend the session to evaluate its quality and usefulness, while students are encouraged to participate actively.

• Promotional Activities:

- The Chairperson suggested incorporating logos of IEEE (Institute of Electrical and Electronics Engineers) and IIC (Institution's Innovation Council) on the symposium posters to enhance visibility and collaboration.

• Placement Drives and Student Opportunities:

- A placement drive by Doppio Group is scheduled to commence at 9:00 AM, excluding the MBA department. HODs are advised to encourage eligible students to participate.
- Amazon Scholarships for first-year female students with an annual family income below ₹5,00,000 were announced by the HOD of Science and Humanities (S&H).

• Major Events:

- **OXYIGNITE-2023 Symposium:** Scheduled for December 21-22, 2023, featuring 10 technical and 5 non-technical events. The event is of national importance, and departments are tasked with promotional activities across states.
- **National Youth Day Celebration:** Organized by the MTE department in association with IIC on January 12, 2024, featuring an expert talk by Prof. Sudheer Deshpande on "Youth for Global Harmony."
- **National Startup Day:** Planned for January 17, 2024, with Mr. Anand Kannan, National Director of IFIA, as the Chief Guest.

• NPTEL Courses:

- Faculty members are encouraged to enroll in NPTEL courses to strengthen their expertise in their teaching subjects. Similarly, BE (Hons) students in the 5th and 7th semesters are advised to register for courses available on the VTU portal.

• Student Development and Recognition:

- The Chairperson congratulated the faculty, staff, and students for achieving a QS-I Gauge Diamond Grade ranking, scoring 1109 out of 1400 points.
- HODs were instructed to focus on improving the teaching-learning process and to verify the qualification status of students registered for the BE (Hons) program.

Resolution:

- Departments are to organize workshops addressing industry trends, academic gaps, and societal issues while adhering to the activity plan.

Agenda 3: Innovation and Incubation Council (IIC) Activities

- Dr. P. Bindhu Madhavi, HOD of AIML, emphasized the need for careful selection of resource persons for IIC mentoring activities, with discussions to be held among the IIC, NSP, and Innovation Coordinators. Finalized details are to be uploaded to the IIC portal.
- The schedule for Innovation Ambassador Activities will be shared to facilitate smooth execution.

Resolution:

- The committee appreciated the progress in IIC activities and encouraged the organization of more such events across departments.

Agenda 4: Research and Development (R&D) Activities

• Internship Opportunities:

- IEEE is offering internships to students across various societies, and HODs are instructed to guide interested students to apply.

• Funding and Recognition:

- The IEEE student branch received an annual grant of ₹15,450 from IEEE Bangalore. The college is among the 20 shortlisted institutions in Karnataka for reimbursement under this grant.

• Research Paper Guidelines:

- Research papers with DOI numbers will earn appraisal points. Only hybrid and offline certificates will be considered for scoring purposes in appraisal reports.

• VGST Visit:

• Curricular and Extracurricular Activities:

- The Chairperson instructed the Heads of Departments (HODs) to execute both curricular and extracurricular activities in alignment with their respective department activity plans to ensure holistic student development.

• Workshops and Training Programs:

- The Dean of Research and Development (R&D) announced a workshop on Android application development, scheduled to begin on December 6, 2023. It will be conducted online from 7:15 PM to 8:15 PM by Mr. Fabrizio Mayor of the National University of San Marcos, Peru. HODs of ISE, CSE, AIML, and MCA departments are to attend the session to evaluate its quality and usefulness, while students are encouraged to participate actively.

• Promotional Activities:

- The Chairperson suggested incorporating logos of IEEE (Institute of Electrical and Electronics Engineers) and IIC (Institution's Innovation Council) on the symposium posters to enhance visibility and collaboration.

• Placement Drives and Student Opportunities:

- A placement drive by Doppio Group is scheduled to commence at 9:00 AM, excluding the MBA department. HODs are advised to encourage eligible students to participate.
- Amazon Scholarships for first-year female students with an annual family income below ₹5,00,000 were announced by the HOD of Science and Humanities (S&H).

• Major Events:

- **OXYIGNITE-2023 Symposium:** Scheduled for December 21-22, 2023, featuring 10 technical and 5 non-technical events. The event is of national importance, and departments are tasked with promotional activities across states.
- **National Youth Day Celebration:** Organized by the MTE department in association with IIC on January 12, 2024, featuring an expert talk by Prof. Sudheer Deshpande on "Youth for Global Harmony."
- **National Startup Day:** Planned for January 17, 2024, with Mr. Anand Kannan, National Director of IFIA, as the Chief Guest.

• NPTEL Courses:

- Faculty members are encouraged to enroll in NPTEL courses to strengthen their expertise in their teaching subjects. Similarly, BE (Hons) students in the 5th and 7th semesters are advised to register for courses available on the VTU portal.

- The Vision Group on Science and Technology (VGST) team will visit the campus on May 24, 2024, to review ongoing and completed research projects funded by VGST. HODs of ECE, BT, AUTO, and MECHANICAL departments must be prepared with the required documents and presentations.

Resolution:

- Strengthen research initiatives and ensure all documentation is ready for VGST and other reviews.

Agenda 5: NAAC, NIRF Rankings, and NBA-Related Works

- **NAAC Documentation:**
 - Criteria heads are instructed to complete all required documents for NAAC in a timely manner.
- **NIRF Rankings:**
 - The CSE-HOD shared the data submission format for NIRF rankings. Faculty members are required to complete and submit the data year-wise.
- **Achievements:**
 - The Chairman and Principal attended the QS-I Gauge award ceremony in Chennai, where the college received the Diamond Grade award.

Resolution:

- Ensure timely completion of tasks related to NAAC, NIRF rankings, and NBA requirements
