The Oxford college of Engineering, Bangalore- Institution Innovation Council in association with IEEE-EMBS and Department of Biotechnology, TOCE organized a workshop on “Bio innovations and start-up” 8<sup>th</sup> September 2023 from 11.00 A. M to 12.00 P.M in the department of Biotechnology.

### OBJECTIVES:

- To bring out the innovative and creative ideas of students in the field of biotechnology
- To understand the Technological innovations to conserve the environment.
- To bring sustainability in innovation
- To make products from waste material and beneficial to society
- To understand the Start-up opportunities in the field of biotechnology

A workshop on “Bioinnovations and start-ups” was organized by The Department of Biotechnology in Association with IEEE Bangalore Chapter and Institution Innovation Council (IIC) on 8/9/23. The session featured, Mr. Anand Kannan, National Director of the India chapter of the International Federation of Inventors Association (IFIA) and Dr. Satish M. Bhavankar, Director of Avas DigiTech, the Director of the Yenilik Foundation, and is part of the IFIA BHARAT advisory board, renowned experts in the field of biotechnology and entrepreneurship. The event aimed to provide insights into the intersection of Bioinnovation and startup ventures.

The workshop began with an Inaugural Ceremony where the overview of the rapidly evolving field of biotechnology and its potential to drive innovation in various sectors, including healthcare, agriculture, and environmental sustainability was given by Dr. B. K. Manjunath, Professor & Head, Department of Biotechnology and Dr. Preeta Sharan, IEEE coordinator and the Dean Research, The Oxford College of Engineering. In the workshop the speakers Mr. Anand Kannan and Dr. Satish M highlighted the importance of a supportive startup ecosystem in the success of Bioinnovation ventures. This included access to funding, mentorship, and collaboration opportunities. Several real-life case studies were presented to illustrate successful Bioinnovation startups. These examples showcased innovative products and services that have made a significant impact on the industry. The speakers also discussed the challenges faced by Bioinnovation startups, including regulatory hurdles and market competition. However, they also emphasized the vast opportunities available for those willing to tackle these challenges. The event provided ample networking opportunities, allowing attendees to connect with like-minded individuals, potential investors, and mentors. Collaborative efforts among participants were encouraged. The talk concluded with an engaging Q&A session, during which the audience had the chance to seek clarifications and gain further insights from the expert.

Overall, the workshop on Bioinnovation and startups was informative and inspiring. Students were left with a deeper understanding of the potential of Bioinnovation and the necessary steps to embark on successful startup journeys in this dynamic field. The event encouraged networking and collaboration, fostering a sense of enthusiasm among those present.

46 students and 7 faculties participated in the workshop and made the event successful.

## **OUTCOME:**

The main agenda of the workshop was to increase the knowledge about start ups and innovations in the field of Biotechnology. The outcome of the workshop was to explore the innovative ideas to design the products and models in the field of biotechnology. The workshop helped the students to understand more about the advancement in biotechnology. Students and faculty realized the networking opportunities and potential for the development of new bioinnovations and startup ventures through this workshop.

The Oxford college of Engineering, Bangalore - Computer Science and Engineering and Department of Artificial Intelligence and Machine Learning in association with Institution Innovation Council and IEEE organized a workshop on "Prototype/Process Design and Development in the field of Automation and Embedded Systems" on 11<sup>th</sup> May 2024 from 10:00 AM to 4.30 PM by Mr. Adarsha M, Principal Engineer, Infineon Technologies. He holds more than 18 years of experience in Bosch and Infineon.

#### **OBJECTIVE:**

The objective of the workshop on "Prototype/Process Design and Development in the field of Automotive Embedded Systems and its recent trends" appears to be to provide a comprehensive understanding of the latest advancements, methodologies, and best practices in designing of various prototypes and process design and developing automotive embedded systems. Overall, the objective of the workshop on "Prototype/Process Design and Development" is to empower participants with the knowledge, skills, and confidence to create innovative prototypes and design efficient processes that drive success in their organizations or industries. It aims to educate attendees on several key areas:

- **Education on Prototyping and Process Design:** To educate participants on the fundamental principles of prototyping and process design specific to automotive embedded systems. This could cover topics such as system architecture, hardware design, software development, and integration techniques.
- **Understanding Prototyping Methods:** Educating participants about various prototyping methods, such as rapid prototyping, iterative prototyping, and simulation-based prototyping. This would involve discussing the advantages, disadvantages, and suitable applications of each method.
- **Process Design Principles:** Exploring the principles of process design including process mapping, analysis,

learn how to design efficient and effective processes that meet quality, cost, and time requirements.

- **Hands-on Prototyping:** Providing participants with practical experience in prototyping through workshops, demonstrations, or project-based activities. This could involve using prototyping tools, software, and hardware to create tangible prototypes of products, systems, or processes.
  
- **Process Development Techniques:** Introducing participants to various process development techniques, such as Lean, Six Sigma, and Agile methodologies. Participants would learn how to apply these techniques to streamline workflows, improve productivity, and reduce waste.
  
- **Software Development:** Discussing the software development processes, particularly ASPICE (Automotive SPICE) and the role of AUTOSAR (Automotive Open System Architecture) in standardizing automotive software.
  
- **Current Trends:** Addressing major trends such as the electrification of vehicles, autonomous driving, and the shift towards centralized electronic architectures to reduce weight and cost.

## **OUTCOMES:**

The outcomes of the workshop is Participants gain a deeper understanding of prototyping methods, process design principles, and development techniques relevant to their field or industry. The other outcomes are:

**Improved Prototype Skills:** Participants develop practical skills in prototyping, process mapping, analysis, optimization, and other related areas through hands-on activities and exercises.

**Development:** Participants acquire knowledge that is immediately applicable to their work environments, enabling them to design and develop prototypes and processes more effectively and efficiently.

**Innovative Solutions about Prototypes:** Participants learn to apply creative thinking and problem-solving strategies to prototype development and process design, resulting in innovative solutions that address real-world challenges.

**Proficiency in Prototyping Tools and Methods:** Participants become proficient in using various prototyping tools and methods, such as wire framing software, 3D printing, or software development frameworks, depending on the workshop's focus.

**Ability to Translate Concepts into Tangible Prototypes:** Participants develop the skills necessary to translate abstract ideas and concepts into tangible prototypes, whether physical models, digital mockups, or interactive prototypes.

**Problem-Solving Skills:** Participants enhance their problem-solving skills by tackling design challenges and constraints encountered during the prototyping process, fostering creativity and innovation.

**Effective Communication of Design Concepts:** Participants improve their ability to communicate design concepts and ideas effectively, whether through visual representations, verbal explanations, or storytelling techniques.

**Collaborative Work Skills:** Participants learn to collaborate effectively with team members, stakeholders, and end-users throughout the prototyping process, fostering a culture of collaboration and co-creation.

**Confidence in Presenting and Defending Design Decisions:** Participants gain confidence in presenting and defending their design decisions, backed by rationale, user insights, and testing results.

Engineer at Infineon Technologies Pvt Ltd, indicating a focus on technical and industry-specific insights relevant to professionals in the automotive and embedded systems sectors. Around 70 students from various departments and 10 faculty members attended the workshop and got benefitted.

## OBJECTIVES:

The primary objective of the "Critical Thinking and Problem solving Using Selenium" workshop was to inspire and guide undergraduate students and faculty members in recognizing and harnessing innovation opportunities in the realm of problem solving and critical designing. The session, led by Ms. Bindyashree of ISE department, is aimed to:

1. Highlight the role of critical thinking in mastering Selenium, teaching participants how to analyze and break down complex web automation tasks into manageable components.
2. Provide interactive sessions on problem-solving strategies within Selenium, guiding attendees through real-world scenarios that require innovative thinking and methodical troubleshooting.
3. Showcase the application of critical thinking in integrating Selenium with various testing frameworks and tools, demonstrating how to develop robust, scalable, and efficient automated testing solutions.
4. Encourage a proactive approach to identifying and solving common challenges in Selenium automation, fostering the development of strategic problem-solving skills and resilience in the face of testing issues.
5. Create opportunities for collaborative critical thinking and problem-solving exercises, enabling participants to share diverse perspectives, brainstorm solutions, and learn from industry experts and peers.

## OUTCOMES:

The Expert lecture successfully achieved its objectives, as evidenced by the following outcomes:

1. **Enhanced Critical Thinking Skills:** Participants developed a stronger ability to think critically about automation challenges, improving their capacity to deconstruct and solve complex problems using Selenium.
2. **Practical Problem-Solving Experience:** Attendees gained hands-on experience in applying problem-solving techniques to real-world scenarios, equipping them with practical skills directly applicable to their work in web automation.
3. **Increased Proficiency with Selenium:** The event significantly boosted participants' proficiency in using Selenium, enabling them to create more effective and efficient automated tests.
4. **Strategic Approach to Automation:** The workshop encouraged a strategic mindset in approaching automation tasks, teaching participants how to anticipate, identify, and resolve common issues methodically.

5. **Enhanced Networking and Collaboration:** The event facilitated valuable connections among students, faculty, and industry professionals, fostering a community of practice and collaboration that supports ongoing learning and innovation in test automation.

**Participation:** The session witnessed enthusiastic participation from approximately 41 students and 4 faculty members, indicating a strong interest in the subject matter and the speaker.

This expert talk stands as a testament to The Oxford College of Engineering's commitment to fostering an environment of innovation and entrepreneurship. The insights and experiences shared by Ms. Bindyashree are expected to have a lasting impact on the participants, guiding them in their future endeavors in the realm of critical thinking and Problem solving by innovative ideas.

**Sub:** - Recognition of College under Section 2 (f) of the UGC Act, 1956.

Sir,

I am directed to refer to the letter no. TOCE/AACAD/37/UGC/2014-15 dated 18.02.2015 received from the Principal, The Oxford College of Engineering, Bommanahalli, Hosur Road, Bangalore - 560 068, Karnataka on the above subject and to say that it is noted that the College is **un-aided/self financed and temporarily affiliated to Visvesvaraya Technological University, Belgaum**. I am further to say that the name of the following College has been included in the list of Colleges prepared under Section 2 (f) of the UGC Act, 1956 under the head **Non-Government Colleges teaching upto Master's Degree:-**

Name of the College	Year of Establishment	Remarks
The Oxford College of Engineering, Bommanahalli, Hosur Road, Bangalore - 560 068, Karnataka	2000	The college does not fulfill the requirement of permanent affiliation. Therefore, the college is not eligible to receive Central assistance under Section 12 (B) of the UGC Act, 1956.

The Indemnity Bond and the other supporting documents submitted in respect of the above College have been accepted by the University Grants Commission.

Yours faithfully,

(Charan Dass)  
Under Secretary

4th Floor, East Tower, NBCC Place, Bhisam Piramah Marg, Pragati Vihar, Lodhi Road, New Delhi 110003

File No: 25-115-2010-NBA

Date: 08-02-2023

To  
The Principal  
The Oxford College of Engineering,  
Bommanahalli, Hosur Road,  
Bangalore-560068, Karnataka

Subject: Accreditation status of programs applied by The Oxford College of Engineering, Bommanahalli, Hosur Road, Bangalore-560068, Karnataka.

Sr,

This has reference to your application I.D. No. 6654-09/03/2022 seeking accreditation by National Board of Accreditation to UG Engineering programs offered by The Oxford College of Engineering, Bommanahalli, Hosur Road, Bangalore-560068, Karnataka,

2. An Expert Team conducted onsite evaluation of the programs from 28<sup>th</sup> to 30<sup>th</sup> October, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier II June 2015 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. up to 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Information Science & Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. The Oxford College of Engineering, Bommanahalli, Hosur Road, Bangalore-560068, Karnataka should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to The Oxford College of Engineering, Bommanahalli, Hosur Road, Bangalore-560068, Karnataka as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Contd./...

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)  
Member Secretary

**It is mandatory to comply with all the essential requirements as given in APH 2023-24 (Appendix 6)**

### **Important Instructions**

1. The State Government/ UT/ Directorate of Technical Education/ Directorate of Medical Education shall ensure that 10% of reservation for Economically Weaker Section (EWS) as per the reservation policy for admission, operational from the Academic year 2019-20 is implemented without affecting the reservation percentages of SC/ ST/ OBC(NCL) / General. However, this would not be applicable in the case of Minority Institutions referred to the Clause (1) of Article 30 of Constitution of India. Such Institution shall be permitted to increase in annual permitted strength over a maximum period of two years.
2. The Institution offering courses earlier in the Regular Shift, First Shift, Second Shift/Part Time are now amalgamated as total intake and shall have to fulfil all facilities such as Infrastructure, Faculty and other requirements as per the norms specified in the Approval Process Handbook 2023-24 for the Total Approved Intake. Further, the Institutions Deemed to be Universities/ Institutions having Accreditation/ Autonomy status shall have to maintain the Faculty: Student ratio as specified in the Approval Process Handbook.
3. Strict compliance of Anti-Ragging Regulation, Establishment of Committee for SC/ ST, Establishment of Internal Committee (IC), Establishment of Online Grievance Redressal Mechanism, Barrier Free Built Environment for disabled and elderly persons, Fire and Safety Certificate should be maintained as per the provisions made in Approval Process Handbook and AICTE Regulation notified from time to time.
4. In case of any differences in content in this Computer generated Extension of Approval Letter, the content/information as approved by the Executive Council / General Council as available on the record of AICTE shall be final and binding.
5. As per the AICTE Notification dated 29.01.2014 and amended thereto, it shall be mandatory for each Technical Education Institution, University Department and Institution Deemed to be University imparting Technical Education to get accreditation (NBA) for at least 60% of the eligible courses in the next ONE (1) Years' time, otherwise EoA for the subsequent Academic Year (A.Y. 2024-25) shall not be issued by the Council.
6. Deemed to be University: Institutions Deemed to be Universities (Running Technical Education Programmes), it is mandatory to have AICTE approval from the Academic Year 2018-19 in compliance of the Hon'ble Supreme Court Order dated 03-11-2017 passed in CA No.17869- 17870 /2017.

DEPARTMENT OF SKILL DEVELOPMENT ENTREPRENEURSHIP AND LIVELIHOOD KARNATAKA SKILL DEVELOPMENT CORPORATION (KSDC) in association with FORK TECHNOLOGIES Organized 14 Days FACULTY DEVELOPMENT PROGRAMME from 6<sup>th</sup> September to 23<sup>rd</sup> September 2023.

The Programme was for 100 hours offline and 50 hours online, the intention of this program is to craft the ways and means to improve the Teaching Learning Pedagogy, Design Thinking of trainers for 21<sup>st</sup> century soft skills. Department of Mechatronics Engineering co-ordinated for the conduction of FDP for 14 Days. Number of faculties attended was 59.

**Objective:**

The objective of the training is to bring the awareness about advanced pedagogical skills,

- Best Practices in Online Teaching,
- Increasing Student Engagement,
- Digital Tools & Techniques,
- Stress Management,
- Design Thinking in Online Teaching,
- Instructional Design Workshop,
- Prototype Model Designs, and
- Processes & Guidelines.

The sessions of the FDP were planned to meet the desired objectives. Schedule of the FDP has been enclosed

**Day-wise Report of the Sessions Conducted****Schedule of the Faculty development programme**

13	22/9/2023		
14	23/9/2023	Wellbeing and self-care and Valedictory function	Mr.Avinash

### **Day 1 (6/9/2023)**

#### **The morning session was started with**

- Welcome speech about the Faculty development programme.
- Introduction about individual.
- Self-learning, life vision and mission

#### **The afternoon session was started with**

- Understanding the learning cycle
- Our life's wheel

The session was very informative and fulfilled its objective of training educators to enhance the online teaching experience of students as well as the faculties. All the participants have actively participated and has enjoyed the session thoroughly.

#### **Photos**

**Day 2 (7/9/2023)**

**The morning session was started with**

- Critical thinking
- Creativity

**The afternoon session was started with**

- **Collaboration communication**
  - ✓ Find out what collaborative communication is.
  - ✓ Look at some examples of collaborative communication.
  - ✓ Understand why it's important.
  - ✓ Read some handy tips on enhancing collaborative communication.

**Photos**

**Day 3 (8/9/2023)**

**The morning session was started with**

- information literacy
- media literacy

**The afternoon session was started with**

- Technology literacy

## Photos

**Day 4 (11/9/2023)**

**The morning session was started with**

- flexibility
- leadership
- initiative

**The afternoon session was started with**

- productivity
- social skills

## Photos

### **Day 5 (12/9/2023)**

#### **The morning session was started with**

- Active learning strategies
- Visual aids and multimedia integration.

#### **The afternoon session was started with**

- Assessment and evaluation techniques.
- Classroom management strategies.
- Assessment and feedback strategies

## Photos

### **Day 6 (13/9/2023)**

#### **The morning session was started with**

##### Micro learning

- Theories and principles
- Formats & delivery content.

#### **The afternoon session was started with**

- Designing effective modules

## Photos

**Day 7 (14/9/2023)**

**The morning session was started with**

- Tools and technologies

**The afternoon session was started with**

- Collaborative designs.

## Photos

**Day 8 (15/9/2023)**

**The morning session was started with**

- Understanding and using ADDIE (Analyze, Design, Develop, Implement, and Evaluate)

**The afternoon session was started with**

- Analyse phase
- Design phase

## Photos

**Day 9 (15/9/2023)**

**The morning session was started with**

- Develop phase
- Implement phase

**The afternoon session was started with**

- Evaluate phase

## Photos

The session brought out the best from each department and the engagement was appreciable. Most of the faculty explored ample new features of LMS which were unexplored till date from last so many years. It was wonderful to see that almost all departments have used the tools and techniques showcased in this FDP program in the initial days.

Day 10 (19/9/2023)

**The morning session was started with**

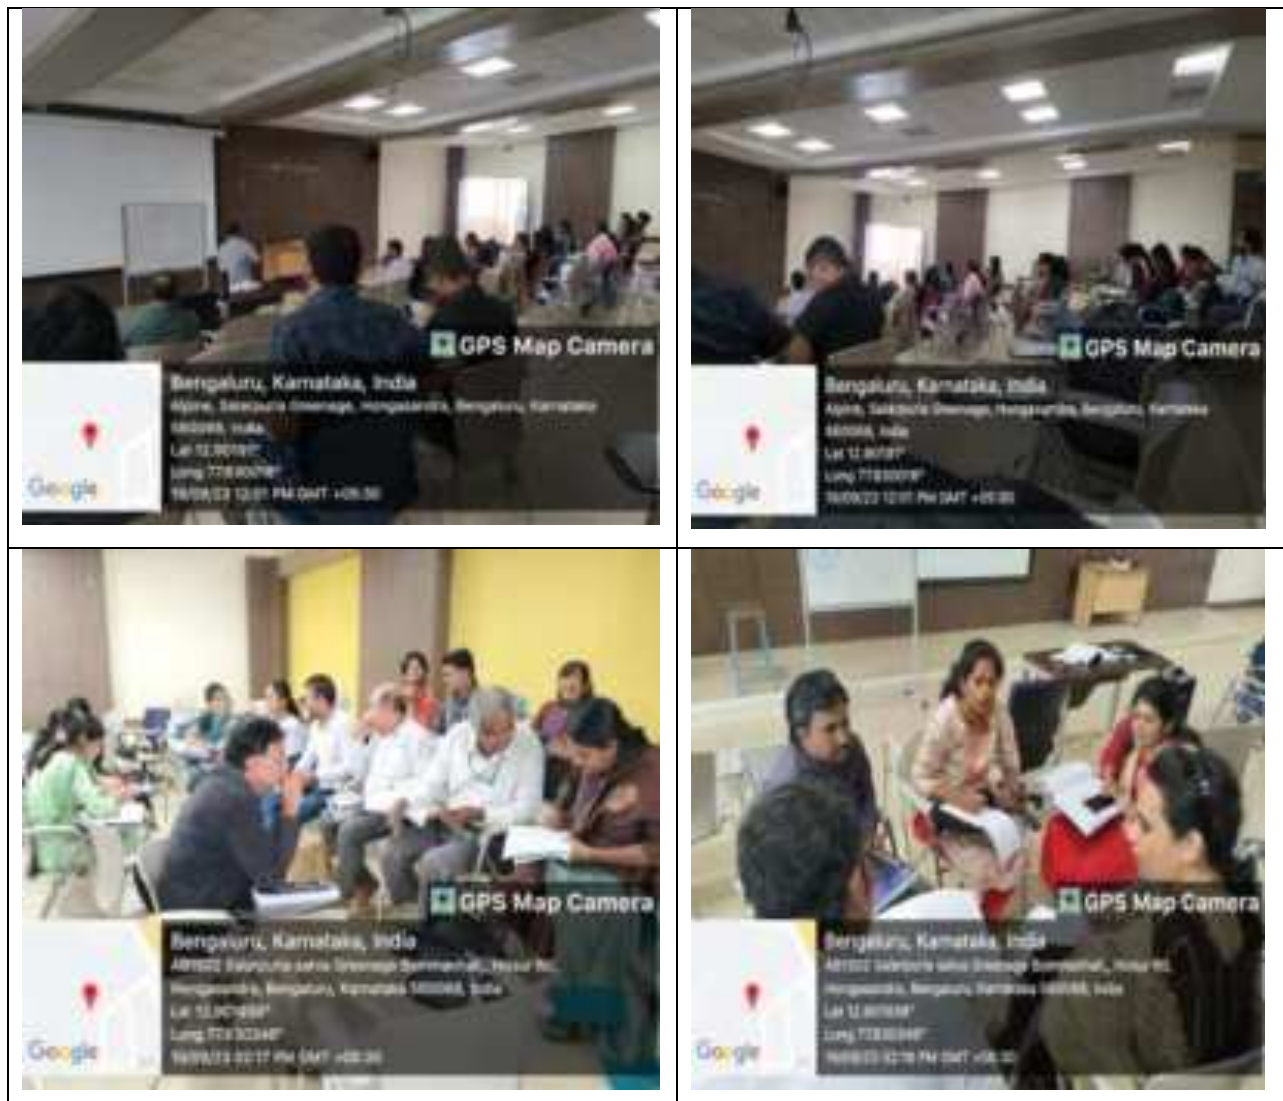

Design thinking

- Process and method
- Applying in curriculum development
- The type of lab and how it would be conducted
- Format eg. number of quizzes/assignments/presentations by students required or not

**The afternoon session was started with**

- Creating opportunities for students learning

**Photos**

Day 11 (20/9/2023)

**The morning session was started with**

- Research and problem solving techniques
- Prototyping and testing solutions

**The afternoon session was started with**

- Collaborative & inter disciplinary thinking
- Tools and techniques
- Case/studies/tutorial/language/labs and how they will be conducted
- Evaluation rubrics

**Photos**

Day 12 (21/9/2023)

The morning session was started with

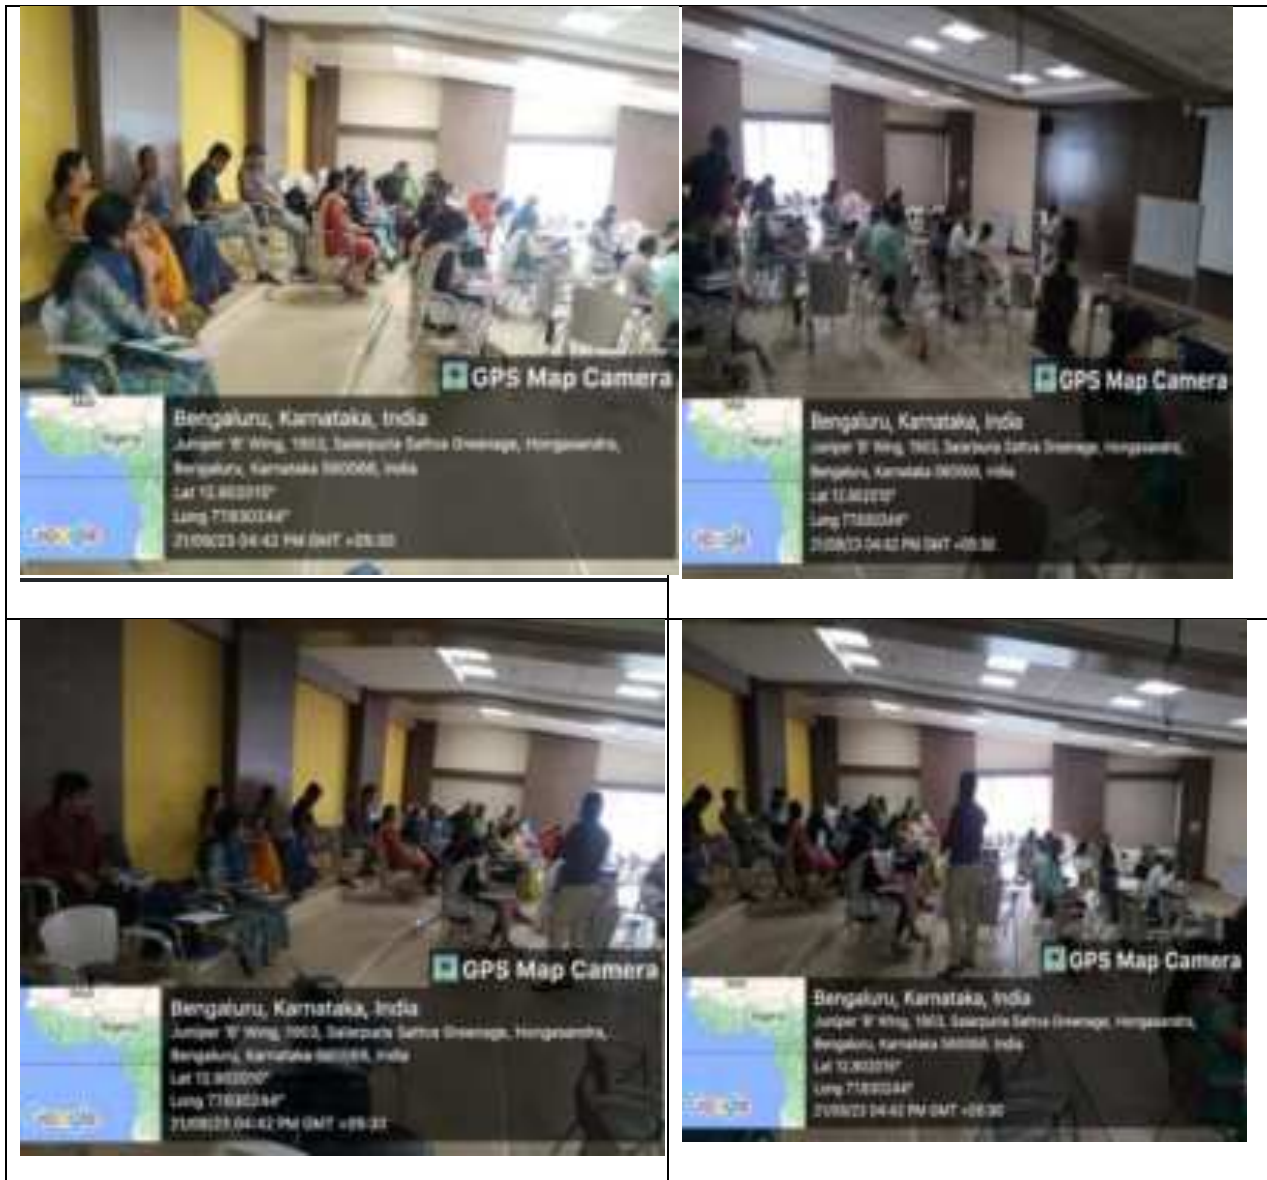

Enhancing teaching efficiency, putting all of it together

- Effective lesson planning

The afternoon session was started with

- Tips and designing engaging

Photos

Day 13 (22/9/2023)

**The morning session was started with**

Enhancing teaching efficiency, putting all of it together

- Differentiated instructions

**The afternoon session was started with**

- Formative assessment and feedback

**Photos**

Day 14 (23/9/2023)

**The morning session was started with**

- Wellbeing and self-care
- Apart from this, during the interaction on MS Teams, one representative from each dept was invited to share their experience and learnings.

**The afternoon session was started with**

- Valedictory function

**Feedback by Dept Representatives:**

The aim was to know what went great and what could be fine-tuned in future. The following representatives spoke on behalf of their respective departments:

Prof.Navjeet,MBA, Prof.Bharath,EEE,

**Sub: Brief Report – Aptitude and soft Skills Training - Bizotic – 15th July 2024 to 30<sup>th</sup> July 2024 (10 Days) – Reg**

Respected Sir,

With reference to the above subject, the Corporate Relations department organized Aptitude and Soft skills training to the MBA and MCA students of 2<sup>nd</sup> semester from **15th July 2024 to 30<sup>th</sup> July 2024** and (10 Days). Bizotic was the training vendor and they classified students into 4 classrooms based on their performance in the Pre-assessment test conducted on 12<sup>th</sup> July 2024.

The 10 days training was held between 15<sup>th</sup> July to 30<sup>th</sup> July 2024. As Director given instruction, 2 faculty members were allocated for each training room as monitors. The Monitors took attendance and Feedback in every session and submitted it to the Corporate Relations Department. The Head- Corporate Relations department shared the attendance regularly to the Director- MBA& MCA, the HODs and Placement Coordinators. All 10 days training was well as per the plan and the feedback from the training room monitors and students was Very good

Out of 224 students 145 students Attended Training more than 10 sessions (50% of the Training Sessions)

This is for your kind information Sir.

Encl: The attendance Analysis for the Training

Thanking You Sir.

Yours Sincerely

## **Abstract:**

The two day program intended to provide a foundation for their PG academic and professional journey and covered key areas such as:

- MBA & its significance as a profession: need for professional development outlook
- Life skills and its capability building and its contribution to the holistic development of our students
- Corporate communication and etiquette

This report summarizes the key points, emphasizing the importance of self awareness for personal growth that enhances personal and professional growth among MBA and MCA students.

## **Introduction:**

Ms. Preej Sreedhar commenced by highlighting on 7 cases of the personalities – PC Mustafa – Founder of ID dosa batter, MBA Chai Wala, Kabeer Biswas – founder of Dunzo, Sriharsha Majety & Nandan Reddy- founders of Swiggy & zomato, Raghavendra Rao, Divya Rao- owners of Rameshwaram Café Doly Jain – Celebrity Saree Drapist – Kily Paul and Neem Paul –Tanzanian Brother Sister duo famous for their lip sync of Bollywood songs. These cases highlighted on self awareness, adversity quotient, emotional quotient, need for change, networking is equal to net worth, open mindedness, feedback is needed for self improvement, adaptability, importance to TQM, agility, up-skilling & re-skilling, ability to convert weakness to strength, SWOT as a tool of self reflection. Activities were conducted for the students to make them understand JOHARI window, SBI – Situation, behaviour & Impact. Pink hard band was an activity was conducted for boys as an social experiment to help break the cognitive bias.

The second day started with the employability skills of the 21<sup>st</sup> Century – Namely Thinking, Solving, Communicating, Collaborating and Leading. The Case on “The Ordinary Heroes of the Taj Hotel: Rohit Deshpande at TEDx-NewEngland” was shown to students to help them understand the importance of leadership qualities of employees the operational level. It also highlighted the recruitment strategy at the Taj Group of Hotels. The program also highlighted the importance of personal grooming since it is a part of image management. An Activity on Krueger effect and Imposter effect that highlights Organisational Citizen Behaviour (OCB) was conducted for the students.

**Conclusion:**

The two day workshop provided invaluable insights into on self awareness for personal growth therefore, contributing to the overall development of needs of MBA and MCA students

Timestamp	Mail Id	Name of the Participant	Department	How satisfied are you with the topics discussed at the programme?	How satisfied are you with the workshop in Self Awareness for Personal Growth?	How organised was the sessions?	I'm happy with the amount of information discussed in the sessions.	Overall, how you rate the programme?

## Analysis of Feedback

Name of the Department.

How satisfied are you with the topics discussed at the programme?

- Very satisfied
- Somewhat satisfied
- Neither satisfied nor dissatisfied
- Somewhat dissatisfied
- Very dissatisfied

How satisfied are you with the workshop in Self Awareness for Personal Growth?

- Strongly agree
- Agree
- Neither agree nor disagree
- Disagree
- Strongly disagree

How organised was the sessions?

- Very satisfied
- Somewhat satisfied
- Neither satisfied nor dissatisfied
- Somewhat dissatisfied
- Very dissatisfied

I'm happy with the amount of information discussed in the sessions:

Overall, how you rate the programme?

# THE OXFORD COLLEGE OF ENGINEERING

Hosur Road, Bommanahalli, Bangalore-560 068

## Two-day Orientation Program "PARICHAY- Self Awareness for Personal Growth"

## Introduction

The orientation program on "Effective Communication and Inspirational Leadership" was conducted on June 11, 2024 at 6th Floor Seminar Hall. The program featured Dr. C V Ramanan, a renowned professor, spiritual sadhak, inspirational speaker, and life coach. Dr. Ramanan's extensive expertise in leadership and communication provided invaluable insights to the participants, aiming to enhance their skills in these crucial areas.

## Objectives

The main objectives of the orientation program were to:

- Understand the fundamentals of effective communication.
- Learn strategies to become an inspirational leader.
- Develop skills to motivate and influence others positively.
- Integrate spiritual principles into leadership practices.

## Program Outline

### Introduction to Effective Communication

Dr. Ramanan began the program by emphasizing the importance of communication in both personal and professional settings. Key topics covered in this session included:

- **The Basics of Communication:** Understanding verbal and non-verbal communication.
- **Active Listening:** Techniques to improve listening skills.
- **Barriers to Communication:** Identifying and overcoming common obstacles.
- **Feedback Mechanisms:** The role of constructive feedback in communication.

### Strategies for Effective Communication

Dr. Ramanan delved into advanced strategies for enhancing communication:

- **Clarity and Conciseness:** Techniques to convey messages clearly and succinctly.
- **Emotional Intelligence:** The role of empathy and emotional awareness in communication.
- **Public Speaking:** Tips for engaging and influencing an audience.
- **Conflict Resolution:** Strategies for managing and resolving conflicts effectively.

### Inspirational Leadership

- **Qualities of an Inspirational Leader:** Essential traits and behaviors of effective leaders.
- **Vision and Purpose:** Crafting and communicating a compelling vision.
- **Motivation and Empowerment:** Techniques to inspire and empower team members.
- **Leading by Example:** The impact of leading with integrity and authenticity.

### Integrating Spiritual Principles into Leadership

Dr. Ramanan, being a spiritual sadhak, integrated spiritual principles into the leadership discourse:

- **Mindfulness and Presence:** The importance of being present and mindful as a leader.
- **Ethical Leadership:** Upholding ethical standards and values in leadership.
- **Holistic Development:** Encouraging the growth of mind, body, and spirit in oneself and others.
- **Service-Oriented Leadership:** Leading with the intention to serve and uplift others.

### Conclusion:

The orientation program on “Effective Communication and Inspirational Leadership” by Dr. C V Ramanan was a resounding success. It provided participants with valuable insights and practical skills to enhance their communication and leadership abilities. The integration of spiritual principles added a unique and enriching dimension to the program, making it a holistic learning experience.
