SUMMARY

Institution shows gender sensitivity in providing facilities such as:

1. Safety and Security
2. Counselling
3. Common Room

The institute regulates the safety and security of staff and students through CCTV Surveillance throughout the campus. The institute has multiple security checks and systems at entry and exit points for all persons and vehicles. The staff and students must wear ID cards at all times. The visitors are checked thoroughly and visitor ID cards are issued to them. The details of various committees such as the anti-ragging committee, Grievance Redressal Cell, etc. and contact numbers of the persons to be contacted in case of emergency have been shared through the college website as well as display boards across the campus. The faculties monitor students' academic progress throughout the year and provide counselling that supports and guides students to find ways of dealing with various issues. A health centre facility is available for any medical emergency that addresses the First Aid and primary health needs. Every department has faculty rooms where each faculty member is provided with a separate seating arrangement. Both Girls' and Boys' common rooms are ventilated, have ample space and include various indoor game facilities. A well-furnished Day Care Centre also functions at the campus for the well-being of the children of the faculties.

Counselling

The institute, shows utmost concern towards the wellbeing of students. To address the student stress, career advice and family concerns, the institute has set up student counselling centre. The college has a dedicated counselling room. A qualified Psychologist is looking after this counselling centre. Issues generally include stress, depression, anxiety, confidence and objective and goal setting. The counselor assists students in learning difficulties, behavioral development and adjustment problems.

The counselling services address various degrees of the personal and academic problems and provide suitable solution from time to time. The professionals try to resolve the matter in a more satisfying way. The services are open to all the students free and totally confidential. Special care is taken for slow learners identified through counseling.

Students are asked to visit the counsellor in a scheduled day in a fixed counsel room. The counsellor counsel the students according to his/her problem after registering his identification and keeping all the information confidential.
