Principal and Member Secretary Dr. K. Kambasappa extended a warm welcome to all the members of the Governing Council on behalf of the Management, HODs & Faculty, Students and sought permission of the Chair to proceed with the Agenda.

Subject No. 1: Confirmation of draft of the proceedings of the previous meeting held on 08-01-2016.

The draft minutes of the proceedings of the previous meeting held on 08.01.2016 were circulated for suggesting corrections if any. Few corrections were suggested. They were incorporated. It was resolved to record accordingly.

Subject No. 2: Review of the action initiated on the policy decisions enumerated in the earlier meetings.

Follow up action adumbrated on the important policy decisions emerged in the last two meetings were taken up for review. Some more decisions are yet to be implemented. The Principal shall evince personal interest in giving effect to such policy decisions.

Subject No. 3: Acquisition of Land to the extent of 2858.05 Sq. mtrs. (28.247 guntas) occupied by TOCE by KIADB under Metro Rail project.

Final notification has been issued by

KIADB u/s 28(A) KIAD Act 1966 acquiring vacant land, compound, gate and ATM Room and also generator room under Metro Rail project bearing Survey No. 4/9 & 5/1 measuring in all 2858.05 Sq. mtrs. The Oxford College Metro Rail Station will be constructed in terms of the project report. The Compensation payable is still under consideration of KIADB in consultation with BMRC. Whether the IOCE suffers any deficit in holding the land in fulfillment of norms prescribed in the AICTE Regulations. The norms have recently been revised by amending the AICTE Regulations prescribing the total extent of land in Metropolitan areas. As per the revised norms 2.5 acre for Engineering College, 1 acre for Architecture Course, 0.5 acre for MBA Course and 0.75 acre for MCA Course have been stipulated. However, the COA Regulations prescribe 8000 Sq. mtrs of land. Even after acquisition there is no scope for deficiency. Only after dismantling the Compound and gate fresh construction Civil work will have to be taken up. All the members were unanimous that adequate compensation should be claimed invoking the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act 2013 which came into force from 01-04-2015.

Subject No. 4: - Inaugural function for the academic year 2016-17.

The process of admission to First year B.E. B.Arch both under Govt. quota and Management quota is in progress. The first Semester classes shall commence from 01-08-2016.

Inauguration function may be held on the same day. An eminent personality in the field of Technical Education may be invited as chief guest to grace the occasion in the meantime appointments to the existing vacancies of the faculty shall be made.

Subject No. 5 :- Conduct of Conference / Seminars / Workshop / Symposiums :

As a part of enrichment program and add on program, certain conferences, seminars, workshops and symposiums were held during the last six months. They include certain programs sponsored by software companies and other companies and also some individuals. In pursuit of post accreditation activities of NAAE/NBA such programs held are quite inadequate. Value added programs, outreach program and add on programs should be also held under the guise of beyond curriculum activities. After a good deal of deliberation, it transpired that many more such programs should be held and DOD shall contact the companies in and around and IT hub to sponsor not only such programs but also to depute eminent personalities in such areas or specialization.

Subject No. 6 :- Conduct of FDP / FP / Refresher Courses etc.

In order to comply with the norms and requirements of the AICTE, the following programs should be held in a phased manner in each

academic year to Reorient the faculty and for their updation & professional skills and knowledge and the latest trends in their area & Specialization.

- 1) Foundation Course
- 2) Refresher programs
- 3) Reorientation programs
- 4) FDP/FIP.

A Calendar of programs should be drawn up for conduct of each of the above programs staggeringly over a period of the entire academic year. Resource persons from various field should be invited to deliver key note address. Conduct of each program may be taken up for further review in the next meeting.

Subject No. 7: - Review of activities Carried out by various Committees in post accreditation period.

Umpteen no. of Committees have been constituted for carrying out the post accreditation activities of NAAC/NBA. The NAAC Coordinator and the Principal should ensure that each committee meets as frequently as possible at least once in 15 days to analyse its assignments and accomplishments. Proper minute book duly recorded of the proceedings shall be maintained for the purpose of proper documentation.

Subject No. 8: - Functioning of Anti-Ragging Committee, Students Grievances Redressal Committee.

Invoking the provisions contained in

the AICTE Regulations Collaborated with the directions of the VTU the Anti-Ragging Committee to curb the menace of Ragging in the College premises and also in the Hostels has been constituted. Undertakings have also been obtained from the students at the time of admission that they would not indulge in any act of Ragging. The Committee took note of having displayed the boards cautioning the students of the result of Ragging and also the Contact Telephone numbers of the Committee members. However, it is felt that the principal, Vice-principal and HODs shall conduct awareness program in the College and hostels for the knowledge of the Senior students about the evil impact of having involved such acts which are punishable offence and non-bailable. Students Grievances Redressal committee has also been constituted in terms of AICTE Regulations. A mechanism has also been developed for redressal of any grievances or hardships met by them. The mechanism should be further strengthened and developed to ensure that the students should be free to approach the HODs and principal primarily and ultimately the Committee. The members felt that the Committee shall meet immediately after receipt of any complaint and put the mechanism in motion for an effective solution.

The meeting was concluded by vote of thanks by the principal.

Subject No. 1: Reading & Confirmation of the minutes of previous meeting held on 18/01/2017

The draft of the Minutes of the earlier meeting held on 18.01.2017 has been read over for the perusal of all the members to suggest amendments if any. No modifications have been suggested. Accordingly it was resolved to record the proceedings in the Minute Book.

Subject No. 2: Consideration of ATR on the resolutions passed in the recent meetings

ATR submitted by the Member Secretary on the implementation of important decisions involving policies & planning was taken up for scrutiny. The Governing Council was satisfied with implementation of many policies. However a few decisions are yet to be given effect into. It should be ensured that all such policy decision should be made effective within the time frame.

Subject No. 3: Academic progression & achievements during the academic year 2016-17

Remedial & Special classes have been held in certain subjects to such of the students who were found to be weak and lagging behind in their academics. Cumulative internal

Classes tests are held periodically on regular basis to evaluate the progress of the students. The technology in teaching has been adopted rather than conventional class room teaching by giving large assignments, live projects & Survey. MOUs are being entered into certain companies for collaboration. The enrichment programmes for upgradation of knowledge of students have also been held staggeringly. The Governing Council suggested to draw a schedule of programmes in this behalf.

Subject No. 4: Analysis of Results of even Semester Examinations.

The Result analysis of the even Semester Examination held by VU in respect of BE/ B.Arch/ M.Tech/ MBA/ MCA have been analysed by the Governing Council as Spelt out here under.

The Scrutiny of the Results depicts that the overall performance of the student thought satisfactory but not appreciable. There is much scope to improve the result by identifying the subject in which the results are just average and the reasons therefor. Internal class tests should be held continuously to assess the improvement in the performance of the students. In addition to conducting the class in terms of syllabus improvement of the quality of the students shall be focused by involving the students in seminars and workshops on current topics; coupled with assignment & small project the HODs & the teaching staff shall concentrate on this aspect. Proper documentation should be

Prepared and maintained for the purpose of re-accreditation of NAAC/NBA.

Subject No. 5 :- Conduct of Orientation Sessions for up-dation & Teaching Values of the Teachers.

The following programs were held to orient the teachers conducive for updation and upgradation of the Knowledge of the teachers.

- 1) Orientation program
- 2) Faculty improvement/development program
- 3) Reppolsher program.

In addition to the above program held in the College, teachers are also deputed to academic staff College to participate in the Orientation program or any other program. Having satisfied with the Orientation and other sessions, the Governing Council suggested that some innovative program should be also conducted to adopt the latest methodology in teaching in pursuit of achieving academic eminence.

Subject No. 6 :- Prevalence of Smart and Clean Campus.

Smart Campus has already been introduced in the Campus enjoined with the latest mode of communication of the following.

- 1) SMS to the parents about Attendance of the Students.
- 2) Student's Academic Progression to the parents.
- 3) Online admission of Students.
- 4) Marks obtained in internal assessments.
- 5) Adoption of ICT in Teaching.

Implementation of the innovative system has been reviewed. The system has been in vogue and achieving the expected results. However its optimum utility may be ensured by the principal HODs & in-charge of its monitoring. In the near future action plan may be prepared for efficient & economical use of water, electricity & waste. Usage of solar power system may be also planned for sustainability and savings on the expenditure.

Minutes of the Governing Council - Year 2018-2019

27/07/2018

257

Proceeding of the Meeting of the Governing Council held on 07-07-2018

Subject:- 01. Confirmation of the minutes of the previous meeting held on 06-01-2018

The draft of the Proceedings of the earlier Meeting held on 06-01-2018 has been circulated for approval. After going through it certain minor amendments were suggested. After incorporating the amendments it has been resolved to record the proceedings in the Minute Book.

Subject:- 2: Recognition of The Oxford College of Engineering u/s 12-B of UGC Act 1956

Application has already been submitted to UGC for grant of Recognition u/s 12-B and inclusion of The Oxford College of Engineering in the list of UGC Recognised Colleges. It was deferred by the UGC on the ground that VTU was not similarly recognised as such recognition could not be granted. Of late VTU has been recognised by UGC. Invoking it UGC was immediately requested to retrieve the application of The Oxford College of Engineering and to grant recognition. So far it has not responded. The Principal may pursue the matter with UGC.

Subject:- 3. Placement activities

In addition to regular placement training conducted in Soft Skill Development, Personality

Development, Communicative English and motivation. Certain innovative training programmes may be launched which would meet requirements of the Industry and Software Companies. The Companies / Industries visited the Campus for selection of students in different streams for campus recruitment is far from satisfaction. Only a few companies have interacted with the students. The Principal, Director and placement Executive shall evince interest and convince the HR Departments in the Industries and Companies to bring them to the Campus selection of the students. In pursuit of much employability of students the matter should be augmented vigorously since placement is part of Curriculum. The budget of Rs. 16,000/- was placed before Governing Council for approval and the same was approved. There fore the recruitment orientation may be phased out in different levels.

Subject:- 4. Fabrication of the purchases made during the period from 06-1-2018 to 21-07-2018

All the purchases made for procurement of Equipments, gadgets peripherals, Consumables, glasswares and Chemicals for each Department for effective functioning of the Departments and academic activities have been processed. The procedure prescribed for purchases in as much as receiving the indents, placing them before the Purchase Committee for approval getting quotations from the dealers/Suppliers, negotiating with them

for downward revision of the rates and placing the purchase orders with the approval of the Management have strictly been followed. There has not been any departure from any norms or procedural aspects. Hence it has been resolved to ratify all the purchases made during the transit period from 06-01-2018 to 21-07-2018 and also procurements of the following.

 2017-18 Results & the Odd Semester examina-
 - tions & 2017-18 academic year have been
 received and the % age thereof have been
 subjected to deep analysis.

Comparatively the percentage of results
 is consistent in average and there is signifi-
 - cant improvement. Special/remedial classes
 should be conducted in the selective subjects
 in the exams have not performed well for
 improvement of the results. The HODs should
 ensure that quality need of the subjects in the
 Department is upgraded by instructing the
 faculty to enrich their professional know-
 ledge by conducting refresh courses and
 deputing them to FDP/FIP. The principal
 shall lay emphasis in the meeting of HODs
 for improvement of percentage of results
 by detecting the causes for failure in
 certain subject by the students.

Subject 5: - Improvement in the admission
 of students in the year 2019-20.

During the academic year 2019-20
 there was a down fall in the admission of students
 to UG and PG courses. It is attributable to
 slackness in admission. Sanction intake

It has been observed that the AICTE regulations and the State Govt rules have totally been adhered by the selection committee like conduct & Demo followed by interview before selection in case of faculty and State Govt rules in case of non teaching staff.

Subject 8: - Promotion & Research activities in the Research Centres:-

Research Centres are existing in the DG. Department & studies enjoying the recognition of the U.T. & awarding the research work leading to award of Ph.D. under the supervision of the registered guide. In addition to the ongoing research activities have also been carried out & sponsored and funded by various funding agencies like AICTE, State Govt. in the department of Science & Technology, various groups in Science and Technology, VITU, RSS etc and so on. All the staffs should view the web site of the Research Institute inviting applications for inviting proposals on the research projects with financial support and submit the online application with all credentials of the department for sanction of research projects. It has been observed that the research projects undertaken should be completed with in the time frame and project reports and other supportive documents should be submitted well in time.

Subject 9: - Conduct of Seminars, Symposia, Conferences.

During last 6 Six months the following programmes were conducted

by many departments detailed hereunder, which are conducive for enrichment of the knowledge of Students & Faculty.

The Students of the College had Creatively Participated to bring Credit to the College. The Governing Council Congratulated them and wish them to celebrated their endeavour.

06. Conduct of Cultural Activities.

OXFORDOSTAVA was held on 20.05.2019 in the Campus which was very much useful to the students to enjoy the cultural activities. Dr. Dodde Rangappa Gowda Poet and Laureate was the Chief Guest who delivered a yeoman lecture and literature of Karnataka and its growth in the recent years. Such a Program is a Co-Curricular activities for the students and teachers. It transpired that such a Program may be conducted in each Semester without affecting the regular classes of the students.

07. Conduct of Add-on Programs

In Pursuit of beyond curricular activities some add-on Programs were held to boost the students to be generous in their attitude. The following Programs were held in the recent Past: -

1. Blood Donation Camp
2. International Yoga Day
3. EYE Camp
4. Women's Day
5. Engineers / Teachers Day

08. REVIEW OF R&D ACTIVITIES.

12 Research Centres recognized by VSU are existing in PG department & students involving in Research activities under the supervision of the Registered Guides leading to award of Ph.D by VSU. In addition to it, so many Research Projects have been taken up with the financial support of AICTE, BIRAC, VGST and other funding agencies. The Research Projects sanctioned by AICTE, BIRAC, VGST are effectively carried out as ongoing schemes and likely to be completed with the time schedule.

The following are the Research Projects carried out in the department indicated against each.

Sl.No	Name of the Faculty	Funded By	Department	Title of the Project/Proposal	Year	Cost of the Project	Status of the Project

The Principal and HODs shall approach the funding agencies after viewing the websites of the Research Project sponsored by various fund supporting agencies and apply for allocation of such Projects conducive for Perpetual involment in R & D

09. Accreditation of Departments of ME, BT, CV & ECE by NBA

Online applications were submitted in January 2018 to NBA for accreditation of the departments of ME, BT, CV & ECE. All the supplementary documents sought for were submitted. The Expert-Committee visited college on 03.05.2019. The assessment of each department was carried out by the Committee including Chairman who vetted all the documents and records. The Presentation was made much effectively by the HODs and faculty. Interaction was also very much useful whatever the queries raised by them were clarified with supportive documents. The certificates of accreditation valid for 4 years are still awaited. The Governing Council satisfied upon review of the scenario suggested that during the next visit of the NBA on 30th, 31st August 2019 and 1st Sept-2019, the Presentation should be very much effective to reach 'A' grade.

10. Procurement of Equipments, Appliances, Chemicals, Glasswares And Consumables.

In order to rationalize the system of purchase of equipments, consumables, glasswares and other procurement of services through service providers a Purchase Committee has been constituted in the notification dated 20.09.2019. Under the Chairmanship of the Principal involving HODs concerned, Managers from Purchase Section & Accounts/Audit sections. Based on the recommendations of the Purchase Committee approval has been accorded for such procurements after following the procedure prescribed in the administrative and service manual and also a good deal of negotiations with the suppliers.

The following major items were purchased/Procured during the last six months

Sl.No.	Vendor Name	Description	Amount
01	SKF FLIXER INDIA Pvt. Ltd	RO Plant	2,45,000/-
02	AGS INDIA	UPS BATTERIES	76,800/-
03	MYSORE TIMBER TRADING Co.	Hood items	1,68,400/-
04	MYSORE TIMBER TRADING Co.	wood items	1,26,224/-
05.	M SQUARE INNOVTECH SOLUTIONS	AC Requirements	70,000/-

11. Analysis of the Results of BE/BARCH Courses of ODD Semester.

Analysis of the results of 1st, 3rd, 5th & 7th Semester BE, 1st, 3rd and 5th Sem MCA and 1st and 3rd Semester of MBA course reveals that the Percentage of results is an average of 70%. But in some branches like Automobile, ME, CSM and Civil Percentage is below 50%, hence, the HODs and the faculty should make efforts by conducting special classes for improvements of the results in the next semester examinations. It was pointed out that the CSM course has been wound up with the approve of the AICTE and withdrawal of Affiliation of the VTU. Since, the students were not attracted by the said course resulting in dip in admissions.

The Governing Council concluded that there is much scope for further improvement of the results and sincere endeavorance should be made by the teachers effectively overseen by the HOD, Principal & Director.

12. RECRUITMENT OF TEACHING & NON-TEACHING STAFF.

During the Period from 01-01-2019, the following appointments were made against the existing vacancies to effectively carryout the academic activities and the dates of appointments are indicated against each.

Sl.No.	Name of the Faculty	Department	Designation	Date of Joining

Implementation of the important Resolutions emanated in the earlier meetings have been taken up for review. Almost all the significant decisions have been given effect to.

Subject 03 : Recognition of The Oxford College of Engineering by UGC Under Section 12 B of UGC Act, 1956

Formal application was submitted to UGC for grant of recognition of TOCE under Section 12 B of UGC Act, 1956 in the year 2016. In the UGC letter dated 27-10-2016 it was informed that VTU was not recognized by UGC under Section 12 B as such Affiliated Colleges are not eligible for such recognition until VTU enjoys recognition by UGC. During the academic year 2018-19 VTU had secured UGC recognition for receiving the grants. Immediately UGC was requested to consider grant of recognition

to TOCE under Section 12 B. Acting on it UGC sought a Certificate from Registrar of VTU to the effect that the College has fulfilled all the conditions prescribed for permanent Affiliation. In the mean time the period of permanent affiliation had expired for the academic year 2017-2018. Hence Such a Certificate was not issued.

After a brief discussion it was suggested that an application may be Submitted for grant of permanent affiliation. Only after the permanent affiliation is granted by the Government the matter may be take up with the UGC for recognition under Section 12 B.

Prima - facie through the results are satisfactory with special emphasis on marks secured, distinction First class and Second class, there is still large

amount of scope to improve the results by upgrading the quality in teaching.

Hence the Director, Principal and HOD's should evidence much interest in toning-up the faculty in pursuit of achieving much more better result.

Subject 08: Admission of students to UG and PG Courses in the academic year 2020-21

The forth coming academic year 2020-21 will commence in August 2020, by the time the results of PUC, +2 and BE and other UG courses would be published. The process of admission should be geared up attracting students for admission to various courses offered in the college by appropriately appraising of the facilities available and also academic excellence prevailing in the College and their employability in the campus selection after having undergone the requisite placement training.

The Director, Principal, HOD's and all the faculty should make the sincere endeavour the matter of students admission since the Corona Pandemic will impact on the students coming from other states for admission.
