Certificate of Internship

This is to certify that Ms. Chaithanya R, (Reg. No. 10X15BT011) student of 4th year B.Tech Biotechnology at The Oxford College of Engineering, Bengaluru, India successfully completed one month (July 09, 2018 to August 09, 2018) long industry internship at Zastra Innovations Private Limited under my supervision. Her internship activity includes familiarizations to different Bioinformatics methods and Drug Discovery selection related projects. Her internship involved one project and learning of methodologies simultaneously,

- i) Inhibition of MAPKinase in cardiovascular hypertrophy.

During the phase of her internship program, she learned and worked on softwares like AutoDock, PaDEL, MyStat, Mendeley and commercial softwares like StarDrop and FlexX. She had been exposed to different situations to meet deadlines on submissions of weekly and project reports including weekly presentation of results during which we found her punctual, hardworking and inquisitive.

We wish her every success in her life and career

Duration of Internship: July 09, 2018 to August 09, 2018
Evaluation of the Internship: Excellent / Satisfactory / Unsatisfactory
Comments on the student's performance noting strengths and weaknesses: Uses time constructively.

Certificate of Internship

This is to certify that Ms. Deepika M, (Reg. No. 10X15BT012) student of 4th year B.Tech Biotechnology at The Oxford College of Engineering, Bengaluru, India successfully completed one month (July 09, 2018 to August 09, 2018) long industry internship at Zastra Innovations Private Limited under my supervision. Her internship activity includes familiarizations to different Bioinformatics methods and Drug Discovery selection related projects. Her internship involved one project and learning of methodologies simultaneously,

- i) Drug targets and protein target expression in Melanoma.

During the phase of her internship program, she learned and worked on softwares like AutoDock, PaDEL, MyStat, Mendeley and commercial softwares like StarDrop and FlexX. She had been exposed to different situations to meet deadlines on submissions of weekly and project reports including weekly presentation of results during which we found her punctual, hardworking and inquisitive.

We wish her every success in her life and career

Duration of Internship: July 09, 2018 to August 09, 2018
Evaluation of the Internship: Excellent / ~~Satisfactory~~ / ~~Unsatisfactory~~
Comments on the student's performance noting strengths and weaknesses: Uses time constructively.
