**Detailed Report on World Environment Day**

**“One Student, One Tree”**

NSS Unit of The Oxford College of Engineering had conducted plantation drive in Beguru Road as per the direction of Hon'ble HRD Minister Ramesh Pokriyal Nishank. This program was launched a new campaign “One Student One Tree” in line with the Hon'ble Prime Minister Narendra Modi's idea of a green and healthy environment.

The Awareness Program was conducted in association with Brahma Kumaris Foundation by Ms B K Megha Deep, who was the speaker for the same. There were 100 students participated with 5 Faculty members in this event.

It was very informative Awareness session especially for the Students of our College. Director, Principal, and the students were planted the saplings in our campus.

**Venue:** Agara Lake, HSR Layout

**Organized by:** The Oxford College of Engineering in association with NSS unit

**Discussed Topic:** Swachh Bharat Mission (SBM), Swachh Bharat Abhiyan, or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management.

**No. of Participants:** 125 Students and 10 Faculties

**Swachh Bharat Mission (SBM), Swachh Bharat Abhiyan, or Clean India Mission** is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management.

The campaign's official name is in Hindi. In English, it translates to "Clean India Mission". The campaign was officially launched on 2 October 2014 at Rajghat, New Delhi by Prime Minister Narendra Modi.

The campaign's official name is in Hindi. In English, it translates to "Clean India Mission". The campaign was officially launched on 2 October 2014 at Rajghat, New Delhi by Prime Minister Narendra Modi.

The NSS Unit of The Oxford College of Engineering the Oxford College of Business Management has been a part of NSS. On 08<sup>th</sup> September 2016 with Members from the NSS team, and **125** students and **10** faculties from the college went to clean the surrounding of Agara Lake, Agara Village.

It was a one-day program. The students were gathered in the college premises at 9.00 am and were told that the cleaning program will happen.

We went to Agara Lake by 10.30 am with few sickles and other equipment's needed and started towards Agara Lake.

The entire team had cleaned the area around the lake first which was overgrown with bushes and other sorts of wild plants. It took us the whole day to clear the area of weeds and plastics which was strewn all over.

## Detailed Report on World Earth Day

### Earth Day: Trees for the Earth!

**Date:** 22.04.2016

**Name of the Event:** Earth Day: Trees for the Earth!

**Month of event:** 22.04.2016

**Venue:** The Oxford College of Science, HSR Campus

**Discussed Topic:** Raised awareness among masses about climate change and global warming. Inspired to act towards the protection of the environment and focus on the need for conservation.

**Organized by:** The Oxford College of Engineering

**No. of Participants:** 15 Students

**Output:** One of our faculty has explained the effect of global warming on climate change and need of protecting the environment.

Earth Day aims to “build the world's largest environmental movement to drive transformative change for people and the planet.” The movement's mission is “to diversify, educate and activate the environmental movement worldwide.”

He explained 10 Simple Things to Do to Celebrate Earth Day

1. Plant something
2. Avoid vehicle using fuel/use public transport
3. Let your voice be heard (Take help from youth climate activists organizations)
4. Conserve water
5. Use a refillable water bottle.
6. Get produce from a local farmer's market
7. Shop smart for clothes (Buy less plastic and bring a reusable shopping bag)
8. Unsubscribe to catalogues
9. Spend time outside (Sometime with the environment)
10. Use long-lasting light bulbs (Energy efficient light bulbs reduce greenhouse gas emissions)

The main objective of this program is to make people Understand that it would give benefit to them as well as to the earth.

**Report on Outreach Programme- World Earth Day -Plant a tree Initiative on 22<sup>nd</sup> April at Ramnagara Forest reserve**

An outreach programme on "World Earth Day -Plant a tree Initiative" on the occasion of world earth day was organized by 6<sup>th</sup> semester students of Department of Biotechnology on 22<sup>nd</sup> April at Ramnagara Forest reserve. Plants are the most important in our life. They, directly or indirectly, provide us life. We get oxygen, food, shelter from them and they are the major source of rain in our environment. Most people depend on plant economically to survive. But the reckless deforestation due to urbanization and industrialization is the major source of pollution all over the world. Several new diseases have been originated due to the increased pollution. For the solution of destructive problem and to promote plantation, and to create awareness among the locals the Department of Biotechnology has organized Plant a tree initiative in the Ramnagara forest reserve. Under the program, trees have been planted in the foothill of Ramnagara forest reserve. A positive effect of the Plant a tree initiative has been observed among the localities. They are impressed by the program and now they are promoting plantation. These newly planted trees will definitely help to conserve the environment and provide shelter to the passer-bys. All villagers appreciated the Plant a tree initiative and thanked for it.
