Minutes of meeting

Mentor-Mentee Committee

Meeting No - 03 / 2020-2021

Date – 03/04/2021

Agenda –

1. Discussion Regarding offline theory & Lab classes
2. Performance in the Internal Test – 3
3. Completion of Portions till now
4. Any other Issues with the Permission of Chairperson

Members Present -

Slno	Name	Designation	Department
1	Prof. Jayaraj	Associate Professor	ECE
2	Spandana Indira. R	Student	ECE
3	Jaipreet singh	Student	ECE
4	Sri Ganesh Babu B	Student	ECE
5	Spoorthi B	Student	ECE

Proceedings/Minutes –

The following points were discussed

1. Few students have issues with online classes due to signal issues, data packs & mobile issues
2. Getting Books are touch as well as taking printout is not possible as few students are staying in rural areas
3. Portions were converted around 2 modules in all subjects.
4. Offline classes are needed for problematic subjects - Power System Analysis
5. Finding Labs little touch to follow up
6. Projects they couldn't do as the batch mates are staying in different places – asked them to do simulation & learn the theory and design regarding project and use this time effectively
7. Asked to attend online placements happening as well as to do different courses so that it will help them to enhance their knowledge

Proceedings/Minutes –

- Action taken on previous minutes
- The following points were discussed

1.students informed that due to online class they could not concentrate well, they will perform well in the coming internals

2.all students expressed satisfaction regarding portion coverage of all subject and sharing of subject materials

3. All are expressed satisfaction with the formation of project batches and allocation of guides.

4.All agreed to submit the details of internship with in one week

5.students expressed that that they cannot understand on line practical classes. They asked for offline practical class arrangements.They also asked questions about writing of practical records

Proceedings/Minutes –

The following points were discussed

1. Finding difficult to understand in online classes couldn't concentrate much
2. Getting Books are tough as well as taking printout is not possible as few students are staying in rural areas
3. Portions were covered around 1.5 modules in all subjects.
4. Offline classes are needed for problematic subjects

Proceedings/Minutes –

The following points were discussed

1. Offline Lab Classes started from Dec 2020 – It is effective
2. Offline Theory Classes are being done for Microcontroller & Signals as per the request of the Students but these students are not attending offline classes properly
3. So asked them to attend offline theory / lab classes
4. Portions were covered 100% in all subjects.
5. Protocols are being followed in labs.
6. They could follow the subjects properly and could clarify the doubts
7. All should write class tests to improve their performance

Proceedings/Minutes –

The following points were discussed

1. Offline Lab Classes started from Dec 2020 – It is effective
2. Offline Theory Classes are being done for Microcontroller & Signals as per the request of the Students but these students are not attending offline classes properly
3. So asked them to attend offline theory / lab classes
4. Portions were covered 100% in all subjects.
5. Protocols are being followed in labs.
6. They could follow the subjects properly and could clarify the doubts
7. All should write class tests to improve their performance
