FROM IEEE BRANCH COUNSELLOR DESK

Dr. Preeta Sharan - IEEE Student Branch Counsellor

IEEE Student branch started in TOCE since 2011. Under our IEEE student branch various activities has been done for the benefits of the student community which will be helpful in their growth and shape their career.

1. Official details of IEEE Student branch TOCE

• IEEE TOCE branch was established in 2011.

• Branch code: 08641

• Geo code for TOCE: STB08641

School code : 60020461Region code : RIO

2. Official barriers

• IEEE student branch consellor : Dr.PreetaSharan

• IEEE EMBS Faculty Advisor : Dr BK Manjunath

• IEEE Photonic Society Advisor : Dr Manju Devi

• IEEE CS Society Advisor : Dr Naidu

• IEEE student branch coordinator : Dr. H. N.Gayatri

• IEEE student branch chair: Naveen Kumar Jaswal

• IEEE student branch treasure : Ajit

• IEEE student branch secretary : Abhishek

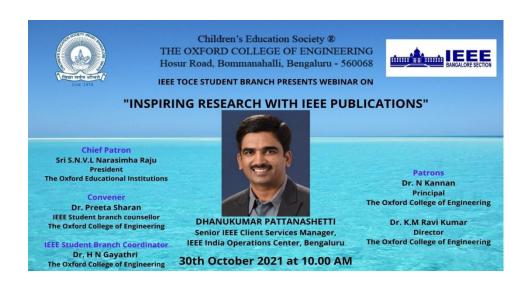

3. It consists of 45 students and there are many chapters established like Photonics society, EMBS society, CIS society, Computer society.

We are associated with IEEE Photonic Society Bangalore section and offering the intership to student members since 5 years.

Lot of activity have been conducted since 21 th June 2021-22

4. Following are the activities conducted at IEEE TOCE during the year 2022.

2021-2022

As a part of webinar Mr.DanushkumarPattanashetti has invited to as chief speaker on 30/10/21. He has given a technical talk on Inspiring research with IEEE publications.

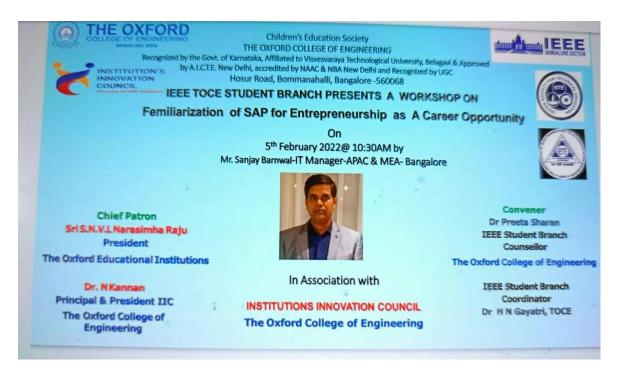

Mr. Dhanushkumar explained about the benefits of joining this society, he also gave the clear information about how to browse the articles in IEEE digital library, He has given lot of information about benefits of IEEE branches and effective utilization of IEEE library.

Webinar on "LIFE STYLE CHANGES DURING AND AFTER COVID -19" held on 23-11-2021

Dr. ShylendraPriyadarshiexplained about the how the life before covid-19 and after that. Sir told that what are the precautions to be taken even after the covid-19.how to maintain the health by doing yoga, pranayama. He explained about comrbities in the context of covid -19.he has given some references regarding the emergency medicines and all. Then questions and answers sessions were there and students got clarifications for their doubts.

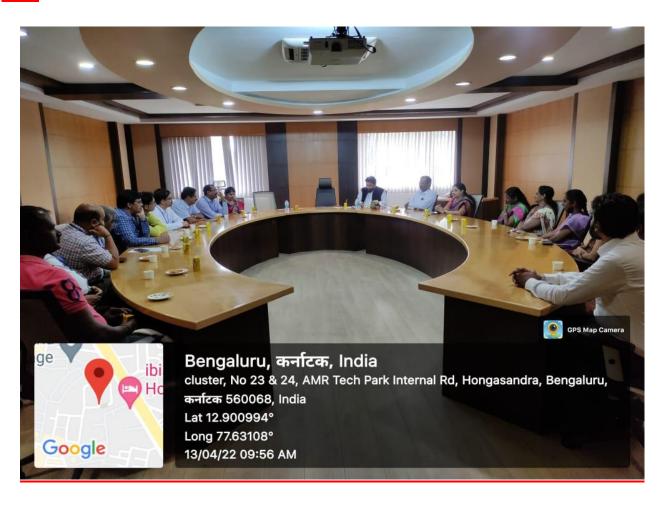

Webinar on "FAMILIARIZATION OF SAP FOR ENTREPRENEURSHIP AS A CAREER OPPORTUNITY" held on 5^{TH} Febraury 2022

Webinar on "Innovation and design thinking on optical network" held on 29th March 2022

WEBINAR ON "STRATEGIC CONSULTATION FOR GLOBAL OUTREACH: TAKING INDIAN EDUCATION TO COMMON WEALTH" held on13th April 2022

WEBINAR on PAPER PRESENTATION ON "BUSINESS PLAN/ PROTOTYPE

DEVELOP" held on 9th May 2022

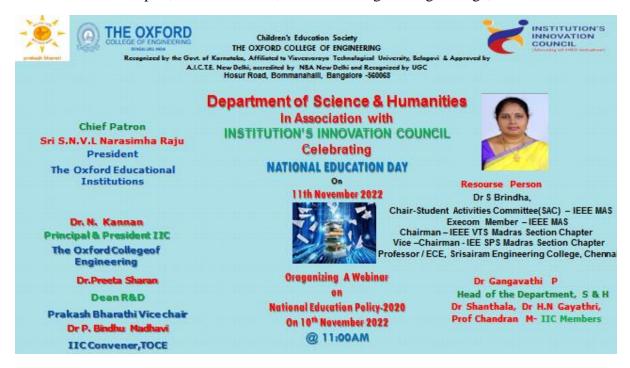

OUTREACH PROGRAMME CONDUCTED ON 20TH AUGUST 2022

National education policy

Webinar was held on November 10/11/2022 at 11:00 AM. The resource person was

Dr .S.Brindha who is working as Chair-Student Activities Committee(SAC) – IEEE MASExecom Member – IEEE MAS, Chairman – IEEE VTS Madras Section Chapter, Vice – Chairman - IEE SPS Madras Section Chapter, Professor / ECE, Sri Sairam Engineering College, Chennai.

WEBINAR ON

"START UP OPPURTUNITIES FOR PHOTONIC INDUSTRY"

Webinar was held on JULY 16th 2022 at 11:00 P.M. The resource person was Dr C.L. Triveni who is working as associate professor in Electronics and Communication Engineering. She has more than 12 years of teaching experience. She has published more than 10 papers in journals and conference proceedings. She is a member of IEEE Communication society and Exe-com member of IEEE Photonic societyShe volunteered as newsletter editor in IEEE ComSoc, Bangalore chapter and currently volunteering for newsletter editor for IEEE Photonics society, Bangalore chapter. Currentlyshe is Chair for IEEE Photonics society, Bangalore chapter. The program was held virtually and it was seen huge participation from academic institutions.

Webinar report

Title: Smart home using Optical Sensors by Dr.Gurpreet Kaur, Assistant Professor, Department of ECE, Chandigarh University

Date: 29.08.2022, Time: 2.30 PM to 3:30 PM.

Dr.Gurpreet Kaur is working as Assistant Professor in Department of Electronics and Communication Engineering, Chandigarh Univeristy, Gharuran, Mohali. Her Research Interests include Optical Fiber Communication, Optical Networks, Optical sensor and Civil Structure Health Monitoring. She has 25 SCI indexed journals and 6 scopus indexed journals to her credit. She has presented many papers in national and international conferences. She is an Associate editor for IET (The Journal of Engineering). She has Membership in The Optical Society and also has IAENG membership.

Resource person has joined through online and the participants were attended in the 5th floor seminar hall for the session from 10:00AM to 12:00PM. Dr.ChittaranjanNayak working as an associate Professor in Vellore Institute of Technology. He has good number of articles, international journals, conferences and patents, He has awarded as a recipient of MHRD Scholarship from Government of India. He also acted as an editor and reviewer for various journals.

Expert Talk on "Accreditation of HEI's: A Road Map for 21st Century Institutions"

Department of Electrical & Electronics Engineering & IEEE Student Branch Expert Talk on "Accreditation of HEI's: A Road Map for 21st Century Institutions" The Oxford college of Engineering, Bengaluru- Department of Electrical and Electronics Engineering & IEEE Student Branch., TOCE organized an expert talk on "Accreditation of HEI's: A Road Map for 21st Century Institutions" by Dr.Manpreet Singh Manna, Former Director, AICTE MoE, Govt of India and Associate Professor SLIET Longowal on 08th October 2022 from 10:30 AM to 11:30 AM through blended mode

Technical interaction & amp; talk on "IEEE FUNDING OPPORTUNITIES"

The Oxford college of Engineering, Bengaluru, Department of Electronics & Engineering in association with IEEE & Eamp; IIC organized Technical interaction & Technical interaction amp; talkon "IEEE FUNDING OPPORTUNITIES" by Dr. Naresh Chand, IEEE Associate vicePresident, New Jersey, USA on 29 th October 2022 from 2:00 PM to 4:00 PM through offlinemode in R & ECE DEPT.

2023-2024

REPORTON 2DaysWorkshop on Biosensor designing using various Photonic Tools

2 Days Workshop on Biosensor designing using various Photonic Tools was organized at the Department of Electronics & Communication Engineering, The Oxford College of Engineering Bangalore from May 30, 2023 to May 31, 2023 in association with IEEE Bangalore Session, IEEE Photonic Society, EMBS Society and Prakash Bharati as the academic partner. The main objective of this program is to make the participants awareof variousBiosensorsdesignusingvariousphotonictoolslikeRSoft,MEEPandOpti.

On Day 1 the keynote address was delivered by **Dr. Navin Kumar**, Chairperson and Professorat the Department of Electronics and Communication, School of Engineering, Amrita Vishwa Vidyapeetham, Bengaluru. In his talk he spoke about the topic Gettingengaged with IEEE.

The next technical session was conducted by **Mr. Amrutraj**, Founder, NikkiBuild EdTech Pvt Ltd, Bangalore. He spoke on the topic The power of the next generation in solving challenges and the participants learnt about the working and use of various projects.

Followed by the Technical talk and Hands-on session by **Mrs. Suchandana Mishra** about the topic Optical sensor design using MEEP. The students are very interested in hands-on session. They installed the software and designed the various biosensors by using MEEP tool.

On Day 2 Session 1 was conducted by Mr. Anup M Upadhyaya, Asst. Professor, Department of Mechanical Engineering. He spoke on the Opto Mechanical sensor design using Opti and Meep tool. The participants learnt about the different biosensor design. Session 2 was conducted by Mr. Anup M Upadhyaya, Asst. Professor, Department of Mechanical Engineering, and taught about the installation of the software for designing various biosensors

by using MEEP tool.

TWODAYS "HANDSONWORKSHOPONSPLICING

TECHNIQUES"ON14thand15thJune2023.

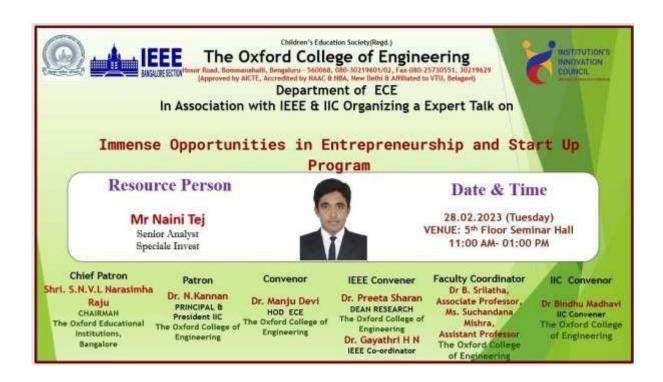

Resource person DR.RAKESH,EDU LIFE PVT LTD, BANGALORE.

The Department of ECE sponsored a two-day hands-on workshop on the splicing machine and the optical timedomain reflectometer (OTDR) on June 14,2023, and June 15,2023. The primary goal of this session was to provide the students hands-on experience with fibre, which would help them comprehend how optical fibre functions and how to operate a splicing machine.

Expert talk on "Immense Opportunities in Entrepreneurship and Startup Program"

The resource persons started the presentation with the detailed about the Entrepreneur/Start-up of deriving the innovative ideas. He explained that the innovation means developing a new idea in coloration with the team members, identifying the need of customer.

WorkshoponDataAnalytics

Organizedby: Department Of Information Science and Engineering

Conductedby:LearningLinksFoundation(LLF)

Durationof thecourse:14 days(9.00AM-11.00AM)-23/6/2023and17/7/2023

TrainersName: Mr. JyothiRam, Principal Consultant, LLF and Mr. Yathish S, Lead Consultant, LLF.

VenueforTheoryandPractical Sessions:-MCA-TheOxfordcollege of Engineering

PosterforWorkshop

COURSEOVERVIEW

The Oxford college of Engineering has organized 14 days workshop on Data Analytics for Second and third year female students of ISE, AIML, CSE, ECE, BT and MCA and was conducted by **Learning Links Foundation**, from **23/06/2023 to 17/07/2023 under "Women's in Data"** program a collaboration effort of LLF and DELL Technologies. A total of 77students enrolled for this program. Total duration of the course was 28 hrs.

All the theory classes and lab practices were held at MCA Lab, The Oxford College of Engineering from 9.00 am to 11.00 am dated from 23/06/2023 and 17/07/2023(14 days).

The trainers Mr. **Jyothi Ram** and Mr. **Yathish S** explained the concepts of Data AnalyticstoallstudentsalongwithhowtousePowerBI,GeneralApplicationsofPythonand

Excel. The trainer taught basic concepts of Excel like Data tools, Date and time functions, Advance filter and vlookup and hlookup. The trainer also taught standard data types, Python libraries and how to do Data Analyticsusing python to all students.

 $Mr. JyothiRam and Mr. Yathish explaining the Data Analytics of the workshop\ conducted.$

WORKSHOPON"ENTREPRENEURSHIPOPPORTUNITIESTHROUGH SAP"

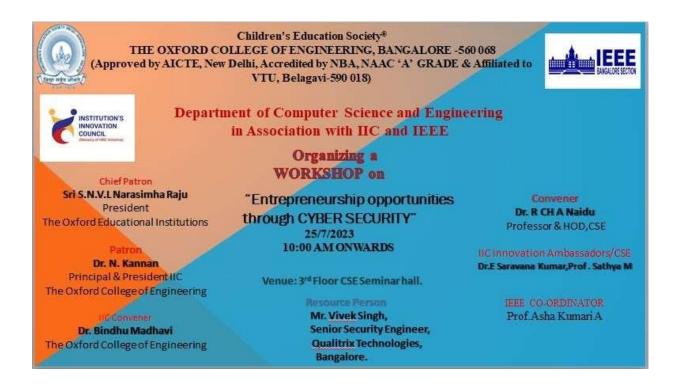

The Oxford college of Engineering, Bangalore - Computer Science and Engineering in association with Institution Innovation Council and IEEE organized a workshop on "Entrepreneurship opportunities through SAP" on 21st July 2023 from 10:00 AM to 4.00 PM by Mr. Shyamasundar G C, Project Manager, ATOS Private Limited, Bengaluru, India.

WORKSHOPON"ENTREPRENEURSHIPOPPORTUNITIES

E-Cell Vicharagni event was an inspiring platform for budding entrepreneurs. After an introduction by the coordinators, upcoming entrepreneurs shared their experiences, offering insights into sectors like tech and healthcare. Dignitaries, including the dean and a business leader as the chief guest, spoke on the importance of resilience and innovation. A key highlight was the student startup pitch competition, where teams presented innovative ideas and answered questions from judges. Prizes were awarded for the first three winners as 1st,2nd and 3rd in categories like Best Innovative Idea and Best Social Impact Startup. The event concluded with a vote of thanks, leaving students motivated to pursue their entrepreneurial goals.

IEEE DAY CELEBRATION ON 10TH OCTOBER 2024

IEEE Day 2024 Celebration Report Date: 10 October 2024 Venue: Seminar Hall, 6th Floor Organized by: TOCE IEEE Student Branch Overview: The IEEE Day 2024 celebration was held on 10 October 2024 at the Seminar Hall, 6th Floor, organized by the TOCE IEEE Student Branch. The event brought together IEEE members and students to celebrate the global initiative that recognizes the role of IEEE in advancing technology for humanity. The focus of this year's celebration was on the challenges of climate change and disaster management and how technology can provide solutions.

"VTU Consortium training program on EBSCO and IEEE resources"

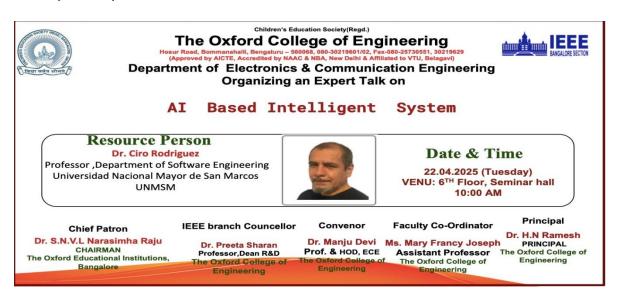

The TOCE IEEE Student branch of The Oxford College of Engineering organized a training program to enhance the research capabilities of faculty members, research scholars, and students by effectively utilizing EBSCO and IEEE resources. The objective was to familiarize participants with the features of EBSCOhost and IEEE Xplore digital libraries, improve research efficiency through advanced search techniques, and provide insights on organizing research papers.

The session was conducted by Mr. M S Srinivasa, Training manager of Karnataka & Telangana states from EBSCO Information Services (IEEE official training partner in India).

Expert Talk on "AI Based Intelligent Systems"

Department of Electronics & Communication Engineering, The Oxford College of Engineering organized Expert Talk on " AI Based Intelligent Systems" on 22nd April 2025 from 10:00AM to 11:00AM by Dr. Ciro Rodriguez R from Universidad Nacional Mayor De San Marcos(UNMSM)
