SRI S. NARASA RAJU

FOUNDER CHAIRMAN

CHAIRMAN'S MESSAGE

The Oxford Educational Institutions began in a humble way under the aegis of Children's Education Society in the year 1974, by Vidyashri Sri S. Narasa Raju, the Founder Chairman, Philanthropist and Educationist of national reputation, with only 2 teachers and 24 students at J.P. Nagar, Bengaluru.

I feel extremely proud to be associated with The Oxford Educational Institutions, which was started with a mission to empower the students in becoming excellent human beings and to contribute meaningfully to the human society. Wide range of educational programs are being offered at the Oxford group in the fields of Medical, Engineering, Dental, Pharmacy, Physiotherapy, Nursing, Paramedical courses, Management, Computer Education, Life Sciences, Basic Science, Physical Sciences, Hotel Management, Law, Journalism, Education, Fashion Design, Pre-University, Day & Evening Diploma in Engineering and Schools, which continuously get upgraded to keep pace with the latest developments and innovations in associated disciplines.

The Oxford family constitutes a total of 32 Institutions in Bengaluru, which have attracted students from all over India and abroad, who can utilize our high standards of quality education offered by qualified & committed teachers using state-of-the-art Infrastructure and Laboratories. Our Teaching-learning process is based on motivation and discipline and special emphasis is laid on the extra and co-curricular activities like sports, cultural programs, workshops, symposiums and seminars for the all-round development of the students.

In order to create a breed of qualified, innovative and dynamic professionals for corporate sectors, service-industries, academics, research Institutions and self-employment, both technical and soft skills training is provided to the students. The tie-ups with various national and international universities and organizations also contribute in widening the horizon for the students in selecting their career options.

I pray almighty to bestow his wishes to the young aspirants and I hope they emerge as world-class entrepreneurs and professionals and ascend from peak to peak in their future.

Dr. S.N.V.L. Narasimha Raju

(Ramesh Raju)

President: Children's Education Society®

Chairman: The Oxford Educational Institutions
